

M. & O. Objects to Levy of Nebraska Tax Commissioner

Petition Filed to Enjoin W. H. Osborne, Jr. From Collecting 1922 Tax From Railroad.

The Chicago, St. Paul, Minneapolis & Omaha railroad yesterday petitioned Federal Judge Woodrugh to enjoin W. H. Osborne, Jr., Nebraska state tax commissioner, from levying and collecting 1922 taxes alleged to be excessive.

This is the second suit of the kind to be filed. The first, involving 1921 taxes, is set for trial in Omaha December 4.

Judge Woodrugh is in Lincoln, sitting with Federal Judge Minger to hear evidence in similar suits brought by other railroads.

The M. & O. sets forth the tax commissioner's valuation of its property as \$2,000,000 more than the company put on it, \$8,500,000. The railroad also set the value per mile as \$22,000. The tax officer levied on \$12,000 additional.

Werner Dressler is counsel for the railroad.

No more Rheumatism

Suffering has gone from your face, mother!

S. S. S. is the Great Builder of Red Blood-Cells and Rheumatism Must Go! Just Try It!

"Rheumatism? Not No, indeed, it's all gone, every bit of it! It's sunshine and joy for me now for the first time in years. I feel a wonderful glow again in the free motion I need to have when my days were younger. I look at my hands and think of the twists and swellings they used to have. I bend way over to the floor. I haven't been able to do that in many years. I can thank S. S. S. for it all. To me it was a rising sun of joy and liberty. Brothers and sisters in misery, do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. It is here and now for all of you. S. S. S. is waiting to help you. There is a reason why S. S. S. will help you. When you increase the number of your red-blood cells, the entire system undergoes a tremendous change. Everything depends on blood-strength. Blood which is minus sufficient red-cells leads to a long list of troubles. Rheumatism is one of them. S. S. S. is the great blood-cleanser, blood-builder, system strengthener, nerve invigorator. It stops skin eruptions, eczema, pimples, blackheads, acne, boils, and makes the flesh firmer. Starters men and women, beautifies complexion, makes the flesh firmer. Starters S. S. S. today. It is sold at all drug stores in two sizes. The larger size bottle is the more economical.

S.S.S. makes you feel like yourself again

AT THE THEATERS

This is the final day, matinee and evening, of the musical comedy "The Perfect Fool," which begins its run at 8 o'clock. Two head-line attractions and three featured acts will be offered by the show, which begins with the matinee performance. One of the principal offerings will be that of the musical comedy star, Norma Talmadge. She appears with J. Walter Leopold, and together they sing their own songs. Leon Kertess, exponent of Hindu music, are to present a comedy spectacle of bewildering lunacy as the musical comedy attraction. Chester Spencer and Lola Williams offer "Putting It Over." Bob Hall, the accomplished fun-master, and "A Vaudeville Surprise," as done by Frank and Charlie, will be the other featured parts of the popular show. This special feature show is to be the attraction for Thanksgiving. Seats are now on sale for the holiday and the entire week.

Today at the Brandeis theater will see the last two performances, matinee and evening, of Ed Wynn, "The Perfect Fool," in his new musical riot. Omaha is the fifth city to witness Wynn's latest effort, success having been proved in New York last season and quite recently in Chicago from where this musical success came almost directly to Omaha, only two weeks intervening.

A. L. Brainer and B. C. Whittier, under whose direction the present tour is arranged, have sent us the original metropolitan production. Ed Wynn, himself, is responsible for the book, music and lyrics of the two acts and 18 scenes. While Julian Mitchell, the creative genius of terpsichore, has introduced many new, unique and novel dancing diversions. An augmented orchestra, under the di-

Officers Seek Husband. Deputy sheriffs are searching the city for Perry E. Seely, who is wanted for wife and child desertion. Seely was arrested last week in Sioux City on a capias issued by District Judge Sears on the complaint of Mrs. Emma Seely. Drake court, who said her husband deserted her a year ago. Nebraska authorities obtained extradition papers, but in the meantime Seely obtained a writ of habeas corpus. He was freed without bond. Nebraska authorities appealed to the Iowa supreme court, which held that Seely should not have been released. Now Seely cannot be found.
