

**Man's Skull Crushed
by Wheel of Tractor**

Fremont, Neb., Nov. 27.—(Special Telegram)—Elmer Howery, 42, father of seven children, was instantly killed about 9:20 this morning when his coat tails caught in the flywheel of a tractor, crushing his head against

the machine. A brother, Howard, perched in the driver's seat of the tractor, was an eyewitness of the tragedy.

The brothers had just completed a wood-sawing job at the home of Mrs. Wood. Howery was in the act of oiling parts of the tractor engine when his clothing became entangled. His head struck the wheel of the tractor, which

crushed his skull. The brother shut off the engine, but too late to avoid the tragedy.

Former Warden Wins Suit.
Helena, Mont., Nov. 27.—Complete victory for Frank Conley, mayor of Deer Lodge and former warden of the state penitentiary, was contained

Conley was removed from office as warden by Governor J. M. Dixon in April, 1921. The decision was a complete exoneration of the members of all prison boards from 1908 to 1921 and their actions.

THE BRANDEIS STORE

Do Your Shopping Early

Because Thanksgiving comes a week later this year than last year the shopping season is just one week shorter. That means a week less time in which to prepare gifts for your friends and loved ones. Realizing this we have made a great effort to purchase and arrange our stocks for the Christmas shopping season so that our customers' shopping time may be spent efficiently and Christmas morning may find everyone ready with well chosen gifts. So you will find our Christmas stocks in every department as complete as a thorough going buying system can make them and prices which, carrying the benefit of the old tariff rating, are as low as efficient buying can make them.
