Mr. J. B. Belk of Shaw, Miss., relies on it entirely to keep his children in health, and Mrs. Catherine Connolly of Jersey City, N. There is scarcely a day that someone in a family does not need it for constipation, flatulency, nuto-intoxication, biliousness, in-testinal poisoning, headaches, colic and cramps, and to break up fevers and colds.

Dr. Caldwell's Syrup Pepsin is a scientifically-balanced com-pound of Egyptian senna with pepsin and pleasant-tasting aromatics. The formula is on the package. As the popularity of this natural vegetable laxative increases, the public discards the harsher physics like calomel, coaltar in candy form, salt waters and powders. Dr. Caldwell's Syrup Pepsin empties the bowels more cleanly and without any danger.
