A Reading Lamp for Christmas

MY friends are buying reading lamps for Christmas. Yes they have started their Christmas buying already and this year lamps seem to be on most every list. I asked several where their's came from and was told Orchard-Wilhelm. I then went to see for myself and was given a wonderful surprise for lamps of every kind greeted me. One in particular was very attractive. It was of walnut with an adjustable arm. A lovely silk shade adorned it (the shades can be had in all colors). It was well made and the material was of the best. And the price—why it was only \$39.50. Very inexpensive for such a beautiful lamp. Go into Orchard-Wilhelm's Gift Shop and see them for yourself. You will be delighted.

A Wallace Nutting picture will add to the attractiveness of the room besides making a beautiful gift. I can secure them for you from \$1.50 to \$5.00 each.

Write to me for prices on the various articles or send direct to the Ideal. They are in the Brown Block.

Gifts of Great Beauty for Christmas. MERIE words cannot describe the exquisite gold pieces found in the show case at the Brown Jewel Shop. Can you imagine a handsome gift for "him" you may select a gift of solid gold in the shape of a cigar case; if he wears glasses, a solid gold eyeglass case would be a most desirable choice. Lockets to be carried in the pockets, and which hold a miniature picture would be appreciated, I am certain.
