

Nebraska Crop Values Show Big Increase in 1922

Report of Secretary of Agriculture Places Increase at \$70,634,239—Corn Is Leader.

Lincoln, Dec. 6.—(Special)—Total value of crops raised in Nebraska this year is \$223,994,929, against a total value of \$153,360,690 last year, according to a report issued today by Leo Stuhr, state secretary of agriculture. This increased value will enrich Nebraska farmers \$70,634,239.

The most marked increase in valuation is in corn, according to the Stuhr figures. Value of corn raised last year was \$45,921,087, while this year Stuhr estimated the value at \$91,471,552. This in the face of a 27,759,187 bushel decrease in production.

In fact, only three crops raised in Nebraska, potatoes, timothy and clover, show decreased value. The potato decrease is extremely large, the value of the 1921 crop being \$7,342,712, against a value of \$4,089,469 this year.

Comparative values of other crops follow:

	1921	1922
Spring Wheat	1,654,232	1,223,847
Oats	12,948,294	19,655,239
Rye	2,091,279	2,455,287
Barley	1,471,362	2,688,449
Alfalfa	19,481,299	29,386,128
Millfeed	4,014,211	6,252,822
Sorghum	1,662,052	1,721,442
Wild Clover	745,829	1,299,069
Quinn Grass	1,000,000	1,000,000
Wild Hay	11,284,949	17,824,580

RADIO Songs and Stories for Bee Concert

Mary Elizabeth Fulton and Amy Cooper Brown to Present Program.

Radio hearers will listen this evening to both songs and stories. Miss Mary Elizabeth Fulton and Amy Cooper Brown will give the program for The Omaha Bee concert from station WAAW.

Miss Fulton is a soprano. For seven years she has been choir director and soloist of the Calvary Baptist church and she has studied with Louise Jansen Wylie and Van de Veer and Reed Miller of New York.

Sparks

Many experienced radio enthusiasts are able to predict with a fair degree of accuracy the advent of cloudy or rainy weather.

A novel way to mount the detector crystal in the cup is here given. Procure a little mercury and stir into it some fine lead filings, enough so that the mixture becomes a very thick paste.

Bryan Will Probe Budget Increase of Rail Body

Lincoln, Dec. 6.—(Special)—Governor-elect Charles W. Bryan announced today that he would make a careful investigation before sanctioning a request of the state railway commission for \$12,500 additional funds for the coming biennium in excess of funds received for the last biennium.

Poet Laureate's Portrait to Be Given Public Library

A portrait of John G. Neihardt, Nebraska poet laureate, painted by J. Laurie Wallace, will be presented to the Public Library by the Neihardt club with ceremonies at 3 Sunday afternoon. Mrs. Alice Neihardt of Brandon, Mo., is expected to be present.

Search for Land King Ends at Jail

Wealthy McCook Fugitive Located in Omaha Bastille by Sheriff-Schoolmate.

Search for Michael P. Moore, 35, lord of 1,300 acres of Nebraska farm land at McCook, ended yesterday when George McClain, sheriff of Red Willow county, and boyhood schoolmate of Moore's, found him in a cell at the city jail.

The search has been conducted since November 21, chiefly by Sheriff McClain and George Crapchagan, chief of police at McCook, after Moore escaped with Ralph Burman, 18, York, Neb., held in motor theft cases. Burman still is free.

Moore was arrested here Monday when Detectives Killian and English recognized him in a Fourteenth and Douglas street pool hall from a poster hanging on the Central police headquarters bulletin board.

The Corpse in the Locked Room

At the pinnacle of his career and on the eve of matrimony, John Waring is found stabbed to death.

No murderer could have escaped from his locked room. Yet no trace of a weapon can be found.

FORD CARS ARE NOT MADE TO CHATTER

When they do they are not properly lubricated. There is no chatter to a Ford when En-ar-co (Light) Motor Oil is used and kept at the correct level; the crank case drained, flushed and refilled with fresh, clean En-ar-co every 500 miles.

WHY EN-AR-CO MOTOR OIL IS BETTER

It has the "body" to hold up and withstand the greatest heat any motor will develop, retaining at all temperatures its cushioning properties, which is essential to prevent friction and insure a smooth-running motor. En-ar-co Motor Oil has greatest adhesive qualities. It forms a seal around the pistons which tends to prevent excess oil to accumulate and form carbon on cylinder head and plugs and to save power that is lost by gases passing the pistons.

Try En-ar-co FREE Lubricating Service

We drain out the old oil, flush out the crank case and refill with fresh En-ar-co Motor Oil. Also fill your transmission and differential with En-ar-co Gear Compound. You pay only for oil and grease actually used. Give this free service a trial.
