

Only Thirteen more shopping days before Christmas. Morning hours are best. You can shop more comfortably because crowds are smaller. You can shop more quickly because salespeople are less busy. You can shop more happily because the "joy of the morning" makes everyone good humored.

Gifts from the Art Department

Hand Embroidered Models 1/2 Price

This is a rare opportunity to buy handmade models of discontinued stamped pieces. Many of them are this season's designs. Some are slightly soiled, but with laundering or dry cleaning, will look just like new again. This collection includes:

- Center Pieces
- Scarfs
- Pillows
- Infants' Dresses
- Children's Dresses
- Gowns
- Chemises
- Pajamas
- Buffet Sets

- Round Velour Pillows—Shirred to center of tapestry, finished with gold braid or cording. Each, **2.25**
- Round Silk Pillows—Two-toned taffeta shirred to center and finished with velvet daisies. Each, **3.50**
- Polychrome Book Ends—About ten attractive styles, special, **2.50**

The Art Department is rich with gift suggestions for the feminine shopper. Not so much the necessities as the smaller things through which a woman may express her personality and taste, the decorative things that lend individuality to a home. It is just such things that compose the Art Department displays and make it the most profitable place for the Christmas shopper to visit.

THE BRANDEIS STORE

Saturday Is Doll Day in Toyland

Every Little Girl's Dolly Is Waiting for Her Mama

We have the largest and most complete stock of dolls in the middle west. They were all bought and imported before the new high tariff on dolls went into effect—and they are therefore priced at figures far lower than would be possible had they been purchased in any other way.
