Danny Morgan, Pilot of Fistic Crafts, Simply Can't "See" Jack Dempsey as Champion

Dan simply can't "see" Dempsey.

"Just a hard hitter, who luckily is living in an era hen all the rest of the heavies are four times worse than he," asserts Dan, concerning the king of wallopers. 'Say, if Gus Ruhlin, Sharkey or Peter Maher were at their best today they'd make Dempsey look terrible, yes, sir, terrible. They'd get to him in a hurry and knock him for a row of buttercups before you could snap your fingers." Dan remembers Dempsey quite well-but not at

all favorably. For Jack surely has caused Dan to be a prophet without honor. He ruined Dan's "white hope" and heaven alone can count up how much Dempsey has cost Morgan in wagers.

At Miller park, on a frozen field, two contests were recled off before a large crowd. The Townsend Gun company defeated the Cechies, \$ 10 1. in the first game of the double-header while the Caledonians trounced the Italians by the score of 7 to 1 in the second game.

While the double-header was being played at Miller field, the Omaha Sports and All-Americans were bootin' the leather ball at Elmwood This game was one of the hardest-fought soccer contests of the season and resulted in a 1 to 0 victory for the Sports.

The guarding of the All-American and Sports was one of the feaures of the Elmwood game. The Sports uncorked a brand of teamwork a few minutes before the first half ended and managed to boot a goal. This spurt on the part of the Sports was short-lived as the Americans tightened their defense and from then on the game was a nip and tuck affair At Miller Park the best game of the afternoon was the 2 to 1 victory of the Townsend Gunners over the Cechies. The Townsends, with their regular brand of good teamwork and guarding, scored their pair of goals in the first half when Muncaster and Aitken booted the ball through the Cechies' goal.

The Cechies also scored a goal in the first half. After the Cechies got possession of the ball at one end of the field they booted it down the line until Novacek kicked the leather over the Gunners' chalk mark for a

During the second half the game resulted in a close guarding affair. The Cechies came near scoring a couple of times, but the close guarding of the Townsend players ruined the Cechies' chances of chalking up a tally. The Caledonians won an easy vic-

tory over the Italians, 7 to 1. This contest was one of the best games played this year in the league. Not a foul was called on a player during the entire contest. The playing of the Italians was

much better than usual, but the sweeping attack of the Caledonians was too much for the less experienced J. Henderson, with two goals, was

Baseball Scribes in Gotham Condemn Action of Johnson New York, Dec. 9.-Members of

the New York chapter of the Baseball Writers' association of America today passed a resolution condemning the action of President Johnson of the American league in changing an official score turned in last May by Jack Kieran, one of the New York writers. By that change the batting average of Ty Cobb was boosted from .399 to .401 as the result of a base hit with which he was credited.

It was the sense of the writers that Johnson's action cast discredit upon the scorer, also that such action impaired its usefulness of baseball records.
