MUSICAL INSTRUMENTS

TODAY'S BLUNDER CORRECTED.
By C. E. BLACK,
Postmaster, City of Omaha.
All mail with the stamp in the proper place, in the upper righthand corner, is postmarked by machinery. If the stamp is too low, or is on another part of the envelope, it is necessary to withdraw it from the regular mails for hand-stamping, which results in delay. If the address is too near the stamp, a part of it is obscured by the postmark.
The abbreviation of state names should be avoided. Pa., In., and La. frequently look very much alike when written. It is hard to distinguish between Me., Mo., Md. and Ind. It is almost impossible to tell the difference between Cal. and Col. as abbreviations for California and Colorado. Calif. and Colo. are safer.
