Merry Christmas to the Whole Family

The Holiday Demand for These Beautiful Enduring Gifts is Tremendous

Have you heard the Cheney playing your favorite records? It is one of the most delightful surprises which can come to you.

Whatever you choose—a difficult piano selection, or the voice of a favorite artist—the rendition which the Cheney gives has a beauty you've never heard before. Delicate tones, heretofore dimmed, come forth clear and sweet.

Before You Choose Your Phonograph Don't Fail to Hear the Cheney

The interest that the Cheney has created among music lovers of this city is most unusual. They find in its reproduction a satisfaction that they have never known before.

In five minutes we can give you a demonstration of the tonal quality of this beautiful instrument. You can hear what we can never describe, can judge for yourself of its abilities.

We are selling Cheneys by the dozens. Place your order now for Christmas delivery.
