The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

# Merritt "Shows" Omaha Retailers the Way to Economical Selling

Against the advice of many and confronted on every side with people who told us "there was no help"......I decided to follow the plan given me by The Omaha Bee Advertising Department, to get me out of my troubles .....This plan called for large advertising in sale form..... The first ad forced us to lock our doors several times to allow those on the inside to do there shopping "orderly" ......Our cash register rang up more than 2,500 sales...... We did on that day the greatest drug business Omaha has ever known. The second and third days' business was nearly as great. We reduced our stocks.....raised thousands of dollars in cash and today are in a very healthy, happy business condition......This was done by The Omaha Bee exclusively...... and we want to thank them in the biggest possible manner. (Signed)
