# We're Still Slashing Prices! THIS STOCK MUST BE TURNED INTO CASH TO SATISFY OUR CREDITORS

Last week we were within 24 hours of bankruptcy and the tremendous success of this sale alone staved off the proceedings. Thousands of dollars worth of stock has already been turned into cash but we still ARE MERCHANDISE POOR. We still have thousands of items that mean cash if we can turn them. Our creditors still are hounding us for money and we must slash prices still further to satisfy their claims.

Drugs, Medicines, Toilet Articles, Household Needs, Soaps and Sundries all are included. Not a single reservation has been made. You benefit by our unfortunate predicament. Stock up for the future. Read the list and check your wants.
