Women and Grandsons Urged in New Hamp-

A Queer World Ban on Marriage Between

conditions.

Too Rough.

Hutchinson, Kan., Jan. 24 .- "The policy of Little River girls for Little River boys," adopted by a number of young men at Little River, Kan., may cost that town in the neighborhood of \$10,000, it became known today.

Alleging that he had been whipped . with barrel staves by a crowd of young men at Little River when he called upon a young woman there, Lerton Morris, Lyons, Kan., youth, has filed suit against the town for \$10,000 under the Kansas mob law. It is alleged that young men of Little River have resented outsiders calling on the Little River girls and have adopted stern measures to discourage the practice.

The Kansas mob law provides that a city or county in which a person suffers at the hands of three or more persons acting in concert is liable for damages.

A Dark Outlook.

Chicago, Jan. 24 .- Harry C. Paul, in speech before a meeting of optometrists, said that it was possible that in 200 years "our vision will be completely gone."

. . . Thou Shalt Not.

Concord, N. H., Jan. 24 .- Bills were introduced in the legislature to make eight hours sleep in 24. compulsory to provide for the appointment of a commission to investigate all homes and determine whether they were happy, to provide no woman shall marry grandson, and to forbid the Ku Klux Klan from calling meetings unless authorized by the kleagle.
