

Lausanne Peace Parley to Close Next Saturday

Outcome of Conference Will Depend on Answer of Turks When Treaty Is Presented.

Lausanne, Jan. 25.—(By A. P.)—Ismet Pasha, head of the Turkish delegation, declined to comment on the announced allied project to adjourn the near east conference by the end of next week, whether peace was signed or not. The allies hope that publication of their plans will have sufficient psychological pressure to induce the Turks to yield on the disputed points.

Both France and Italy rallied rather reluctantly to the procedure laid down by the British and they were careful to say that there could be no question of a definite rupture which would lead to renewed war, but all will depend on the nature of the answer the Turks give when the allied treaty is definitely presented.

Marquis di Garroni of Italy said the door to peace would be left open, even after the adjournment of the conference without definite results, because the allies stand ready to return to Lausanne if there seems any chance of reaching an accord. Both the French and Italians are striving desperately to save the conference.

The French have made many concessions in financial and economic affairs which affect them more than the others. The Italians have worked out a more conciliatory formula for judicial guarantees for foreigners, which they think the Turks will accept. There is great nervousness and some depression, however, in conference circles generally.

The British announced that all discussion before the commissions will end Saturday night. The allied draft treaty will be presented to the Turks Wednesday, the intervening time being devoted to the completion of the draft. The Turks again insisted that the possessions in Gallipoli must be reduced in size. This was the last meeting to discuss this subject. A British spokesman said later:

"The Turkish attitude is monstrous."

Night Fire Wipes Out Hay Springs Implement Firm

Hay Springs, Neb., Jan. 25.—(Special)—Fire of unknown origin destroyed the large dance and banquet hall belonging to Frank Nance. The fire occurred about 2 in the morning and had gained such headway before being discovered that it could not be checked. The firemen turned their attention to the hotel and boarding house nearby.

The lower floor was occupied by McGowan & Son's implement, flour and feed store, which was entirely destroyed. The loss to building and contents is estimated at \$25,000, which is partly covered by insurance.

Retired Farmer at Anoka Leaps in Front of Train

Fremont, Neb., Jan. 25.—(Special)—Nels Olsen, 70, retired farmer, committed suicide by jumping in front of a Northwestern engine one mile south of Anoka, according to information reaching railroad officials in Fremont. Members of the crew testified that the man deliberately leaped in front of the locomotive.

The body was dragged for a distance of about 250 feet, according to reports. No cause for the man's action was given.

Chicago \$55,000,000 Rail Terminal Planned

This group of buildings is to be grouped around a three-unit headhouse fronting north on Polk street, and will cover the 50 acres between Polk, Sixteenth, Clark and State streets, and will care for all the seven roads now entering the Dearborn Street station. Dearborn street will be continued through the station as an elevated boulevard, 120 feet wide, thus adding materially to solve the problem of "uncorking the loop bottle" in Chicago.

Eppley Answers Suit Over String of Hotels

Lincoln, Jan. 25.—(Special)—Eugene C. Eppley of Sioux City, now in possession of the Pontenelle hotel in Omaha and a number of others in Nebraska, Building and Investment company, filed an answer Thursday to the order to show cause why he should not give up possession as demanded by F. B. Bayler, trustee in bankruptcy. Mr. Eppley denies that the bankruptcy or the trustee in bankruptcy, Mr. Eppley denies that the matter involved and claims that he has an equitable interest in the properties.

Mr. Eppley shows that he has paid to W. E. Barkley, former receiver, \$280,000 on his contract to purchase the string of hotels for \$1,000,000. Mr. Eppley recently offered \$800,000 in cash, less amounts already paid and expended, for the properties. In the now phase of the long drawn out litigation, Mr. Eppley is fighting for his equitable interest and lien only.

Kearney Plans More Trees in City Beautiful Campaign

Kearney, Neb., Jan. 25.—(Special)—The Kearney "City Beautiful" committee, representative of all civic organizations, will make an effort this year to complete the planting of a double row of trees along the road to the cemetery, it is announced by M. T. Foley, chairman. Last year the committee succeeded in setting out 150 trees, all elms, along this driveway, and it will require about an equal number to properly park the drive. For the most part, trees set out, were donated by individuals, who paid the actual cost of their transplanting. The city looks after their maintenance.

Fremont Youths Held on Embezzlement Charge

Fremont, Neb., Jan. 25.—(Special)—Joe Ryan, 16, and Clyde Millen were arrested here charged with embezzling funds from their employer, C. C. Williams, farmer residing near Fremont.

The youths were employed by Williams to husk corn. They also were given the job of hauling the corn to Fremont to be sold. They were instructed to deliver three different loads of the grain to the Farmers' union, where the owner was to receive credit. Instead they took two of the loads to another company and pocketed the cash.

When Williams appeared at the Farmers' union to collect, he learned that the company owed him for but one load. Sheriff Condit was notified in time to capture Ryan as he was about to leave Fremont. About \$74 was found in his possession. Millen, unaware that their alleged embezzlement had been discovered, returned from Omaha and was arrested.

Charles J. Kriel Dies; Owner of Hotel Here

Columbus, Neb., Jan. 24.—(Special)—Charles J. Kriel, 28, manager of the Evans hotel, died here. Mr. Kriel and his family have lived in Columbus since last November, when he and R. P. Harper, joint owners of the Evans hotel in Omaha, purchased the Evans from Owens and Howells.

Mr. Kriel was born in Germany, March 24, 1884. He came to the United States when he was 16 and spent most of his early life at sea. In 1922, he was married to Miss Hilma Walter of Holdrege, Neb. He is survived by his wife and two children, Mrs. Esther Marshall of Omaha and Charles Kriel, jr., of Columbus.

Robbery of Tobias Bank Netted Burglars \$5,300

Beatrice, Neb., Jan. 25.—(Special)—A detective who has been investigating the robbery of the Citizens State bank at Tobias, states that \$5,000 in liberty bonds and \$300 in cash were taken from the safety deposit boxes. About \$2,000 of the bonds were not registered. The trail of the yeggs was followed to Beatrice and it is believed they passed through here en route to St. Joseph or Kansas City.

2 Kaverns Here, Fuller Asserts

Ex-Kleagle Says Klan Candidates Successful in Last Election in Omaha.

Two kaverns of Ku Klux Klan Klansmen are now active in Omaha and one in Council Bluffs, according to further revelations of Edgar Fuller, resigned kleagle of the northern realm of the "invisible empire," he asserted.

The Council Bluffs kavern boasts of 700 members, according to Fuller, who plans to turn over evidence regarding the klan's activities to the Department of Justice.

Fuller declares the Omaha kaverns "lost but one candidate in the entire county at the recent election." He

declined to give the name of the losing candidate who had the klan's support.

"Democrats are just as eager to be supported by klansmen as are candidates of any other political party," asserted Fuller.

Fuller says Omaha klan activities are being kept in the "dark."

There are about 200 members in Omaha kaverns Fuller told The Omaha Bee. He declares his new found determination to expose the klan came after an "awakening and realization that klan principles are wrong and harmful."

"I would be willing to serve the rest of my life in the penitentiary if I could rid the country of the organization and its silly rituals," he asserted.

Fuller insists that if the spread of the klan is not checked, a certain gentleman in Texas will control the entire country politically. This Texas man is the real leader, he says, and not Clark or Evans.

Ailing Children Get Well on Syrup Pepsin

A small dose at bedtime brings relief and laughter by morning.

HOSPITAL and doctor's records prove that 75 per cent of human illness has its origin in the intestinal canal, complicated with what is commonly called constipation. Realizing what that figure means, mothers should contrive methods of handling their children while they still control them that will prevent these future dangers. Teach children regularity of bowel movement, and be especially watchful of young girls. Insist on two passages a day until the age of 18, when one is usually sufficient. Give plenty of oranges and apples, plenty of butter because it lubricates the intestines, and encourage the drinking of water.

If you detect restlessness, belching, gas or wind on the stomach, sleeplessness, or lack of appetite, examine the tongue and you will find it coated, accompanied by unpleasant breath. The child is bilious, constipated. According to age, give from one-half to a teaspoonful of Dr. Caldwell's

Syrup Pepsin, which children never object to taking as they like the taste. By morning the youngster will be well again. Likewise if the nostrils are stuffed up or there is persistent sneezing, a dose of Syrup Pepsin will break up the fever and cold.

Mrs. Geo. N. Colson of Bernard, Me., keeps her family well in that way, and Mrs. Ida A. Burkett of Carroll, La., who has been using Syrup Pepsin for a dozen years, has raised her three children on it. Dr. Caldwell's Syrup Pepsin is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics. The formula, however, is on every package. Druggists have sold it with satisfaction to their customers for over 30 years, and it is now the largest selling family laxative in the world. Buy a bottle today. It will last you for months, and the cost is only about a cent a dose.
