

### Norris Endorses Repeal of State Banking Tax Law

In Letter to State Senate He Says Proposal Is Similar to One Passing National Congress.

Lincoln, Jan. 29.—(Special.)—United States Senator George W. Norris has written a letter to the Nebraska senate dealing with the bank tax bill introduced in the upper branch of the state legislature, proposing the repeal of the law taxing capital stock of banks on the tangible basis, and tax bills receivable on the intangible basis. The aim of its introducers is to collect taxes on state banks in the same manner as on national banks.

Senator Norris says both houses of congress have passed a bill on this subject, which is now in conference. Briefly, it provides that if states tax banks on capital stock, which is the present method in Nebraska, the assessment shall not be heavier than on other mercantile and similar establishments, or that both classes of banks may be taxed alike on income. Mr. Norris says he voted for the bill, though not satisfied that it corrects the present middle. His idea is to enact a law whereby states are allowed to tax national and state banks alike.

By a recent decision of the United States supreme court, national banks cannot be taxed in excess of other individuals. In 40 states, national banks are exempted by this ruling, from paying state taxes, and may even collect bank taxes paid under such statutes.

A test case is now pending in the Nebraska supreme court.

### 1922 Sounds Taps for 156 G. A. R. Members

Lincoln, Jan. 29.—(Special.)—Taps were sounded last year for 156 members of the Nebraska G. A. R., the ranks of that soldier organization being reduced to 1,721, according to Gross. Thirty years ago Nebraska had almost 10,000 veterans on the organization roll. There are 149 posts in the state.

Lee Herron of West Point who holds a Congressional Medal of Honor, was reported on the year's activities of Post No. 8.

The new year sees five fewer posts records compiled by Adjutant Harmon in Nebraska. T. A. McCrystal of Cozad, P. J. Smith of Leigh and E. S. Crawford of West Point, among the last members of the respective posts, died in 1922.

Plans are being made for the G. A. R. encampment which will be held in Lincoln, May 9 to 11.

### Answer Filed to Yeiser's Appeal from Ruling on Fee

Lincoln, Jan. 29.—(Special.)—J. T. Dysart and others filed an answer Monday in the supreme court to the appeal filed by John O. Yeiser, Omaha attorney, who appealed from an order of the district court requiring him to make return of a portion of \$820 fees. It was claimed that he collected an excessive amount from the widow of Dewey Burkham, taxi driver, who was killed by running into a street car.

In the answer, it is argued that while no statutes govern the action, courts have power under the common law to suspend an attorney for unprofessional conduct and to adjudicate the reasonableness of a fee, even though a specific fee was contracted for.

### Sand Dredging Boat Sinks in South Bend Lake

Lincoln, Jan. 29.—(Special.)—The sand dredging boat, which supplies sand for the new state capitol, sank in 20 or 30 feet of water in a lake at South Bend, according to word received at the state house.

The boat, the property of the Western Sand & Gravel company, was valued at \$20,000. It will be several days before it can be raised, according to President A. H. Farrens, but construction work on the capitol will not be delayed. The dredge went down in such a manner that it lies at an angle of about 45 degrees.

### Golf Fee Ordinance Blocked in Council

Commissioner J. B. Hummel's golf fee ordinance went back to the committee consisting of Commissioners Hummel, Dunn and Hopkins from the committee of the whole in city council yesterday.

The discussion lasted nearly two hours and was spirited. Mr. Hummel's ordinance contained tentative fees of \$10 a year or 50 cents a day for 18-hole course. Many golfers were in favor of smaller fees, some suggesting \$2.50 a year.

Several representatives of Omaha golf clubs gave their findings among golfers they had interviewed. H. R. Williams stated that he thought it unjust that taxpayers should bear the burden of a pleasure enjoyed by only 2 1/2 per cent of the population.

Skoog has been able to sit up in a wheel chair a few times. He will be removed to his home in a week or two, the doctor said.

### Man's Deportation Is Halted by Judge

Robert Gelsen, 23, Lincoln, was saved from going back to Russia by decision of Federal Judge Woodrough who upheld a writ of habeas corpus on which he was kept from a deportation train which passed through Nebraska recently for New York.

Gelsen has had an exciting life. When he was 6 his father was killed in a pogrom in Russia. His mother sent him to an orphanage in Germany. During the war Germany attempted to make him fight in its army. When he refused they interned him. He worked in the coal mines during the war and finally escaped to Holland, where he was interned again. Again he escaped and went to Belgium. From there relatives brought him to the United States.

Naturalization authorities sought to deport Gelsen on the ground that he was apt to become a public charge. Judge Woodrough found no evidence to show this. He has five brothers in the United States, all citizens.

### STOMACH UPSET? Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking medicine, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 50c.

### Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness. 5c and 6c, in jars and tubes.

Better than a mustard plaster.

WILL NOT BLISTER
