Saturday--Continuing Our Big Sale of Imported Dresses and Blouses

The Evening Gowns of Velvet Are Especially Distinctive

Bought From Aetna Casualty & Surety Co., Underwriters. Made by Deutz & Ortenberg, Known as "The House of France," World's Largest Manufacturers of Imported Gowns and Blouses

The loss, occasioned by a sprinkler accident, which was sustained by Deutz & Ortenberg was covered by the underwriters, who took over the slightly damaged merchandise. To recover what was possible, they sold it to us at a very low price—a ridiculously low price for merchandise only slightly damaged—many garments are not damaged at all. We also obtained from other sources several lots of new spring merchandise, which will be offered at exceptionally low prices.
