Dr.M.E.Haggerty

Gives Speech on

Education

"Educational Measurements" is the

subject of the lecture series now be-

ing presented by Dr. Melvin Everett

resota under auspices of the Omaha

school forum. The first two lectures

of the course were given on Friday

and Saturday afternoons of last week

n the Burgess-Nash auditorium, and

dealt particularly with "Individual

Differences and Their Significance."

Much interest is being shown by Omaha teachers in this technical

phase of present day school problems.

The second lecture, "Measurement of

Human Capacities," will be given
