of the Cause.

After using Stuart's Calcium Wafers you will note that they remove from the system the waste products that we often ret into the skin to cause pimples, black-leads, blotches and such complexion dis-rigurements. Then the calcium is a matural aid to skin repair and health. Your skin not only improves but there if a general appearance of firmer flesh, your face will fill out to its natural lines if thin, because the nation of the calcium subplide in these wafers stimulates the transference of the red arterial blood to where the venous or stale blood has be-ceme impure and must be returned to the circulation.

You cannot get this wonderful result I let you know it! White meat, Mrs. You cannot get this wonderful result from cosmetics or drugs nor can you have a clear, beautiful complexion without this wonderful transference. So when you are near a drug store ask for a 60-cent box of Stuart's Calcium Wafers, far better and more certain of the results you want than the yeast and vitamine drugs.

**A**GLOW with health, still flowering with beauty, she greets each day -- with a happy smile and with cheerful thoughts. The "Blues" have vanished.

The glow of health and radiant beauty come to you if you are careful to follow the advice of your friends or relatives.

For, over 50 years ago, Dr. Pierce, then a young practicing physician,

discovered that a prescription made up of barks and roots, without alcohol, would build up the body and purify the blood. This "nature remedy" he called his Gola en Medical Discovery, which he had prescribed for many years for the stomach, liver and blood.

It eliminates from the blood the elements which corrupt it and which breed and feed disease. It acts directly on the blood-making

glands, increasing their activity, and so increasing the supply of rich, pure blood, which is the life of the body. Purify the blood, and the skin will show the effect. It you need good red corpuscles, strength, vivacity and health, take this "Discovery" of Dr. Pierce's, which many of your friends and

neighbors have successfully used. Read this: Superior, Neb.—"Some years ago I would become dizzy and dark spots would appear before my cyes. I took Dr. Pierce's Golden Medical Discovery and one bottle fully relieved me. I have never had a return of this ailment, but have always had good health since. I am glad, indeed, to be able to recommend such a good medicine."---Mrs. Chas. Wentz, 141 So. Bloom
