

Students Offer 13 Reasons for 13-Cent Stamp

Postmaster General's Attention Called to Significant Dates and Happenings in U. S. as Reason.

Washington, Feb. 7.—Citing 13 reasons why the Post-office department should issue a 13-cent stamp, and declaring the entire history of the United States is bound up in the figure 13, 26 students, just twice 13, of the Shepherd college state normal of West Virginia, petitioned Postmaster General Work to authorize issuance of a 13-cent stamp.

- Thirteen reasons.
- "1—America was discovered on the 13th of the month.
 - "2—The original republic existed of 13 colonies.
 - "3—The first official flag had 13 stripes and 13 stars.
 - "4—Our national emblem, the American eagle, requires 13 letters to spell it; also does our motto, 'E pluribus unum.'
 - "5—The first word to pass over the Atlantic cable was sent on the 13th day of the month.
 - "6—Our silver quarter is written all over with 13. Around the head of Liberty are 13 stars. The eagle bears an olive branch, with 13 leaves. In one claw and 13 thunderbolts in the other. On his breast is a shield bearing 13 bars, and from his beak is a ribbon bearing the motto with 13 letters. Each wing has 13 feathers, and it takes 13 letters to spell 'quarter dollar.'

- "7—There are 13 letters in John Paul Jones's name.
- "8—There were 13 ships in the first American Navy.
- "9—Perry's victory on Lake Erie was won on the 13th day of the month.
- "10—The Stars and Stripes were raised over Fort Sumter on the 13th of the month.
- "11—General Pershing reached France on June the 13th, 1917.
- "12—The 13th amendment to our constitution freed the country of slavery.
- "13—It would not cost any more to make a 13-cent stamp than any other one."

Slayer of Seward Man Dies in Hospital

Lincoln, Feb. 7.—(Special.)—Arthur Andrews, known as Patrick McFarland, slayer of his father-in-law, George A. Merriam, former mayor of Seward, Neb., died in the State hospital here, where he had been sent following his trial in October, 1921. Merriam was shot and killed on December 21, 1920. He was waylaid about a block from his home by McFarland, who, it is supposed, was enraged over domestic difficulties. After shooting Merriam, McFarland fired upon Mrs. Merriam and Mrs. McFarland, but they were not seriously wounded. McFarland then attempted

to take his own life by cutting his throat. According to hospital attendants, McFarland had been in bed constantly since being committed and at times had been violently insane and difficult to handle.

All Children Alike, Says Rural Expert

Lincoln, Feb. 7.—(Special.)—"You can't draw a line between the town and country children," Dr. J. C. Muerman, rural expert in the Department of Education at Washington, D. C., told the county superintendents of Nebraska at the annual convention here. Dr. Muerman said that the town and country children take their places side by side after they finish the eighth grade, both in school and other activities. He said that the majority of the rural teachers are girls who have always lived in town and they should be prepared to fit into their environment. The course of study in the rural

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. When the little one arrives, you can have that moment more free from suffering than you have ever known before. An eminent physician, expert in this science, has shown the way. It was by the use of his medicine that the great woman, Mrs. C. J. Hartman, mother of 12 children, says: "With my first children I had a doctor and a nurse and they were with me all the time. But with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

Note: Write for valuable free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should have, and all about "Mother's Friend" to Bradford's Dispensary Company, 84-25, Atlanta, Ga. "Mother's Friend" is sold by drug stores everywhere.

To the Public We Thank You

The unanimous response to our original "First Coupon Day" in the city of Omaha was an overwhelming success—thanks to the buying public for the confidence displayed in the tremendous purchasing, to the three daily newspapers for the co-operation and service rendered, and the newsboys of the three daily papers, who so courageously braved the cold weather and supplied our customers with thousands of extra coupons. The future success of Hayden's "Coupon Day" is assured. The public can look forward to a repetition of this event from time to time. Just another Hayden Bros. achievement, brought about by cash buying and selling, helping to lower living costs in Omaha, "the gateway of the middle west." We thank you.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets.

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping in the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them, 15c and 30c.
