# Good and Evil of **Community Chest** Plan Outlined

Advantages and Dangers Discussed by Welfare Association Secretary of Minneapolis.

Advantages derived through maintenance of a community fund, as well as dangers and the best method of safeguarding it from the latter, were presented effectively to delegates to the 23d annual convention of the Nebraska conference of social workers Monday noon by Frank Bruno, general secretary of the Family Welfare association of Minneapolis, Minn. Mr. Brune's talk was delivered at a luncheon at the Chamber of Com-

'The community fund has developed in response to the demand of the business man that he be required to contribute money for welfare purposes only once a year, and that he be solicited only once a year," he

### Methods Unsatisfactory.

"Then, too, all methods formerly practiced have not proved satisfactory; they have not brought in the equired sums of money.

"One of the best features of the community fund is that it has forced ference of Social Workers meeting by all social welfare agencies to adopt Frank Bruno of Minneapolis. a budget system that is in conformity with the best methods of auditing. It has forced all agencies to use a first-class system of accounting.

### Man Who Helped Nominate Geraldine Has A Queer World Lincoln Tells Inside Story

Lion Breaks Out of Cage, Throws Fort Worth Citizens Into State of Terror.

Fort Worth, Tex., Feb. 12 .- A male lion which chewed its way to freedom from a wooden cage while being shipped from Belton, Mont., to a circus wintering in Dallas, Tex., leaped from the baggage car in which it was riding as the train entered this city and threw the negro population of this section of town through which the train was passing into terror. Police shot and killed the lion.

Chicago, Feb. 12 .- Charles M. Martin is pinning his hopes of living 101 years on a pet monkey. This was responsible for a 40-minute airplane flight from his home at Cross Lake. Ill., to Chicago yesterday. The monkey is sick.

Eventually the monkey will become the subject of a glandular operation by which his 66-year-old owner hopes to attain rejuvenation, it was said by Mr. Martinf who is a member of the firm of Martin and Martin, stamp and die manufacturers.

"I'm just beginning to enjoy liv ing and I expect to be at least 101 years old," Mr. Martin stated. His eyes lighted up as he watched the monkey swinging from the chandelier. While he had no immediate plans for an operation, Mr. Martin said that when he felt the need of one "Mike" would play a promi-
