Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ver been found to take its place.

Because of its germ destroying prop erties, it quickly subdues the itchng, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness You do not have to wait for im provement. It quickly shows. You can get a little jar of Rowles Mentho Sulphur at any drug store.
