

Federal Agent Held Prisoner With Radicals

Department of Justice Man Arrested Along With Communists in Michigan Last August, Witness Says.

Chicago, Feb. 19.—An agent of the United States Department of Justice who was attending the meeting of radicals last August at Bridgman, Mich., when the place in the woods was raided, spent two days in jail at St. Joseph, Mich., before he was identified, Allen O. Myers, assistant general manager of the William J. Burns International Detective Agency testified today. Myers testified in the deposition hearing in preparation for trial of the communists and other radicals taken in the raid.

In connection with the Bridgman raid, Myers said he was ordered to

meet Federal Operative K. H. 27, an "under cover" man. This agent, he said, was Francis Morrow, alias Ashworth, who was sent to the meeting. Charles Scully, head of the "radicals" division of the New York bureau of the Department of Justice, was here today, but was not under subpoena and was not expected to testify.

He was charged by Albert Ballin, alias Albert Balanow, a defense witness, now under charges of criminal libel preferred by Myers, with communicating to William J. Burns some of the contents of government files while William Flynn was chief of the bureau of investigation of the Department of Justice, a post now held by Mr. Burns.

Myers said Balanow offered to get information on what he described as the "Jewish menace" in America, which Balanow, said could be sold to

Ford interests for \$100,000. The witness said that he rebuked Balanow for that suggestion.

He denied that he instructed a Department of Justice operative to go before the supervisors of Berrien county, Michigan, and tell them that the raid at Bridgman and the resulting cases would not make any additional expense for the county.

Impatience Over Family Shopping Costs Man Car

Kearney, Neb., Feb. 19.—(Special).—E. M. Jones, Overton insurance man, drove a new car up from Lincoln yesterday, stopping off in Kearney long enough to pick up his wife and daughter, here on a visit. They stopped at a local department store to make a purchase and Jones, impatient over their delay, clambered out of the machine to urge them to hasten their

shopping. Upon his return out of doors the car was missing. Every road out of town was quickly spotted, but up to today no trace of the stolen machine had been found. It is the second new car, both enclosed models, to have been stolen here within a month. The Jones machine carried no license, only the dealer's tag, being in transit.

Ex-Scout, Nearly 100, Dies at His Home in Broken Bow

Callaway, Neb., Feb. 19.—(Special).—Milo E. Young died at his home at Broken Bow. He was almost 97 years old. He was born in Vermont and was one of the earliest settlers of Custer county coming here in 1856. He was one of the original 13 men who organized the county. He was a scout and Indian fighter, a miner and a freighter. The funeral was held at Callaway.
