**Masons to Move Children's Home**  
**Old Megeath Residence to Be New Location of Local Institution.**

Members of the executive committee of the Masonic home for children are planning to move the home into its new location, the former Megeath home at 2137 South Thirty-third street early in March. The home was donated to the Masonic bodies in Omaha. In order to meet expenses which

will be incurred in making some necessary improvements and to establish a fund for the maintenance of the home, Masonic lodges and Scottish Rite and York bodies are to carry on an interlodge campaign, under the direction of the members of the executive committee for gifts and pledges. Up until now the Masonic home for children has been maintained at Twenty-second and Davenport streets. The new home, when completely furnished will accommodate more than 100 children. G. W. Megeath gave the home to the Masonic bodies more than a year ago. It was for years the seat of the pioneer Megeath family and one of the most beautiful residences in Omaha. Since giving the site to the Ma-

sons, Mr. Megeath has built a new home on the Dodge street road and is living there now. **Lively Time Is Planned for College Night at Uni Club** College night, which will be observed Thursday night at the University club, will be re-heralded and other things, according to reports being broadcast. It will be the annual roundup of all college men in Omaha. There will be college yells and songs and all that sort of thing. Those who expect to attend are requested to notify the committee which includes Al Clarke, Hirk, Stryker, Earl Burkett, Ralph Coad, Sanford Gifford, E. T. Manning, Harry Holdrege, Ray Crossman, Dexter Buell, Ross Towle and Cap Offutt.

**High School Glee Clubs to Repeat Operetta "Sylvia"** "Sylvia," an operetta by Maude Eliaeth Inch and W. Rhys Herbert, will be repeated tonight in the auditorium of Central high school by pupils of the glee clubs of Omaha Technical high school. The production was presented last night and was well received. It is being given under the direction of Mrs. Fred G. Ellis and Miss Frances Pearson.

**Air Mail Pilot to Assist in Trial Night Flights** Jack Knight, air mail pilot, will assist J. V. McGee in experimental night flying, preparatory to establishing regular night flights between Omaha and Cheyenne, Wyo. Two powerful searchlights have been stationed at the North Platte field, where Knight is stationed. Knight was hero of the famous record flight two years ago between San Francisco and New York.
