SHE DARKENED HER GRAY HAIR

Tells How She Did It With a Home-Made Remedy.

Mrs. E. H. Boots, a well known resident of Buchanan County, Iowa, who darkened her gray hair, made the following statement: "Any lady of gentleman can darken her gray or faded hair, and make it soft and glossy with this simple remedy which they can mix at home. To half a pint of water add 1 ounce of bay rum, one small box of Barbo Compound and 14 ounce of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair every other day until the gray hair is darkened sufficiently. It does not color the scalp, is not greasy and does not rub off. It will make a gray-haired person look 20 years younger."
