Completes Your Food Requirements

LMOST daily you are A urged to regulate your eating habits. Leading medical authorities, physical culture experts and dieticians recommend more "roughage" in the diet. WHEAT-TONE is a great help in providing elements considered essential by these authorities. Because it contains all of the bran it aids the digestive processes. Then too, WHEAT-TONE contains the germ of the wheat-usually removed from commercial flours. To use this germ-which is rich in Vitamin B and also contains a considerable proportion of

Vitamin A-we grind the flour

for WHEAT-TONE daily in a mill installed at our plant.

Thus WHEAT-TONE contains these valuable properties and in addition all of the protein and mineral salts.

You may not have considered WHEAT-TONE as a necessary part of your daily diet, but thousands of folks in this community would not think a meal complete without it.

Try WHEAT-TONE today. Serve it regularly for a week, a month-long enough to observe its beneficial properties. After that, you'll always serve it. But, be sure it's WHEAT-
