## 98 Out of Every 100 Women Benefited

An Absolutely Reliable Statement Important to Every Woman

Remarkable Results Shown by a Nation Wide Canvass of Women Purchasers of Lydia E. Pinkham's Vegetable Compound. 50,000 Women Answer

For some time a circular has been enclosed with each bottle of our
medicine bearing this question: medicine bearing this question "Have you received benefit from
taking Lydia E. Pinkham's Veg. etable Compound Replies, to date, have been re-
ceived from over 50,000 women ceived from over 50,000 women
answering that question.
98 per cent of which say YES. That means that 98 out of every 100 women who take the mediit is recommended are benefited by it.
This it
This is a most remarkable record other medicine in the world equals i.
Think of it-only two women out of 100 received no benefit98 successes out of a possible 100 Did you ever hear of anything like it? We must admit that
we, ourselves, are astonished
