Yeast Foam Tablets are a pure, tonic food—not a medicine—made of whole selected yeast. They are easy and agreeable to eat, they keep and they do not cause gas. Sold by druggists everywhere, made by the makers of Yeast Foam and Magic Yeast.

Betty Compson

She is No Longer Fat

She found a way to reduce her fat. It was a way far more pleasant than dieting or exercising would have been. This new way allowed her to eat foods without danger of becoming fat again.

She found *Marmola Prescription Tablets*. They aid the digestive system to obtain the full nutriment of food. They help Nature to turn food into muscle, bone and sinew instead of fat.

Marmola Prescription Tablets are made from the famous Marmola prescription. Thousands have found that these handy tablets give complete relief from obesity. And when the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell *Marmola Prescription Tablets* at one dollar a box. Ask your druggist for them, or order direct and they will be sent in plain wrapper, postpaid.

CHOOSE YOUR TOMORROW

Blossoms and sunshine—yes! And opportunity for you to grow and prosper. The climate and scenery that give California its charm also provide California with a prosperity that is worth your immediate investigation.

California's Assets

California's delightful climate means a year-round crop-growing season and California's beautiful valleys produce new fortunes yearly in fruits, vegetables and grain. Lofty mountains supply cheap hydro-electric power and water for irrigation, and verdant hills mean profitable pasturage for livestock.

California's boulevarded roads mean speedy and economical motor transportation, the magnificent expanse of San Francisco Bay and the broad rivers of the Great Valley are natural

highways of transportation. California's trim towns and storied cities are alive with commercial, financial, manufacturing and shipping enterprises.

Write To Us

There is room for many thousands now coming to California and her Great Valley—where more people have bank accounts, where crop values are twice the national average per acre, where homes are more homelike, schools are better built, where people earn more, spend more and save more.

The Lemon Rinse For Soft, Lustrous Hair

When you shampoo your hair a lather is formed by soap. It settles on the hair, and stays, no matter how frequently you rinse with water alone. The hair is sticky and unclean, although you "washed it good."

Rinse with the juice of one lemon in a quart of water, and *note the difference*. The lemon juice eliminates the sordid completely. The hair is *really clean*.

Just *test the hair*, to know it. Let your mirror and your friends tell you of its new, lustrous gloss.

The best "Beauty Shops" rinse this way. It's the natural, harmless way.

Learn the effect just once and you, too, will always rinse with lemon.

Get California Sunkist Lemons. They are heavy with the most effective juice.

Free "Beauty Book"

We've prepared a little booklet called "Lemon Uses for the Lemon—How it Helps to Beautify." We will send a copy free to any woman on request. Just send a post card with your name and address and get one by first mail. Learn the many valuable uses of the lemon.
