

### Father Testifies for and Against Girl His Car Hit

#### Driver Says His Truck Struck Daughter While Turning Corner—She Charges Speeding.

S. L. Peterson, 1153 North Nineteenth street, appeared in District Judge Leslie's court yesterday afternoon and testified both for and against his daughter, Rosa C. Peterson, 22, who is suing the Troy laundry for \$5,000 damages she alleges she received when struck by a truck.

Peterson, the father, was driving the truck which struck her. He testified that he had cut a corner in making a turn at Eighteenth and Cumings streets, which perhaps will establish the liability of the company for which he was working.

Later attorneys for the company called him to the stand and questioned him regarding statements he had made previously which tended to weaken his daughter's case. Peterson is still an employe of the laundry.

Peterson told of his mental anguish caused by the accident. The daughter testified that the accident, which occurred July 28, 1922, was due to the fact that the truck was being driven at a high rate of speed. She said that she had started into the street to get in a street car when she was hit by the automobile and knocked unconscious.

Miss Peterson wept while telling of the accident. She had been employed by the Union Pacific railroad. Her petition alleges she is permanently injured.

### AT THE THEATERS

To enable some of the players to take an early train, the Orpheum curtain this evening is to rise at 7:15 rather than at the customary hour of 8:15. This is the final days of the show headed by Roscoe Ailes and his orchestra of vocalists. For the week opening with tomorrow's matinee one of the stellar attractions will be contributed by the well-known character actor and playwright, John E. Hyman. He is to play the fantastic comedy, "Tom Walker in Dixie." His company includes 10 well-known players. Another of the chief attractions will be the comedy playlet, "The Speeders." This is an entertaining musical production with an array of clever stunts and dancing girls. The principal attraction is the eccentric comedian, Jack Mundy. There are to be two featured acts, one to be presented by Wynne and Simondet, and the other by Prester and Klass. The show promises to be one of exceptional popularity.

Thrills and comedy vie for popularity in the new six-act vaudeville and photoplay bill at the World theater, starting today. "Cheerful Days," a local stage comedy, is presented by Arizona Joe and company of eight cowboys and cowgirls. Six horses and a funny music appear in the act as well. Others on the bill include Exposition Four, Howard and Jean Chase and company, Florence and Arthur Ryan and Hazel Stallings and Arthur Hays. Viola Dana in "Love in the Dark," is the full-length photoplay feature.

George Stone and Etta Pillard are coming back to the legion of friends they have made through previous appearances in Columbia burlesque, to give a week of whirlwind comedy, dance and acrobatics at the Gayety theater. Another of the today's matinee, Joe Hartig made the Stone and Pillard production and the Big Show's company of principals engaged especially for the roles assigned to them. Irene Evans, prima donna; Gretta Tyson and Rose Duffin, sopranos; Sammy Wright, German comedian; Marty Benson, James D. Wilson and Billy Baker will assist Stone and Pillard in capable ways. Tomorrow's bargain matinee starts at 2.

#### "Johnny's New Car," an absurd travesty on automobiling, can be seen for the last time today at the Gayety. George Lovett and company is the headline attraction, starting tomorrow. Mr. Lovett, known the world over as the "Mexican Marvel," presents an offering under the title of "Concentration," that has entertained and mystified thousands of theatergoers. As a mental marvel Mr. Lovett has unsurpassed. In conjunction with his incomparable mysterious band, makes the offering a genuine novelty of the highest type of vaudeville entertainment. "Concentration" is without exception the greatest act of its kind ever presented and one that will entertain, mystify and amuse an audience as no other can.

#### THOUGHT BACK WOULD BREAK

Nothing Helped until She Began Taking Lydia E. Pinkham's Vegetable Compound

"When my baby was born," says Mrs. Posluszny, 106 High Street, Bay City, Michigan, "I got up too soon. It made me so sick that I was tired of living and the weakness run me down something awful. I could not get up out of bed mornings on account of my back; I thought it would break in two, and if I started to do any work I would have to lie down. I do not believe that any woman ever suffered worse than I did. I spent lots of money, but nothing helped me until I began to take Lydia E. Pinkham's Vegetable Compound. I felt a whole lot better after the first bottle, and I am still taking it for I am sure it is what has put me on my feet."

If you are suffering from a displacement, irregularities, backache, nervousness, sideache or any other form of female weakness you should write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for Lydia E. Pinkham's Private Text-Book upon "Allments Peculiar to Women." It will be sent you free upon request. This book contains valuable information.
