exceptions, all foreign loans are anauthorities," the secretary added. ported have always been coupled with

impossible qualifications. The "suggestions" referred to were he only credit given to students of he Russian situation, like Senator William E. Borah, who claims Russia will pay all it owes if only afforded the opportunity of re-established trade relations.

Menace in Stability.

Secretary Hughes appeared to see a menace in the degree of stability which friends of Russia are pointing to as advancement worthy of rec ognition. He said:

"Stability, of course, is important; some speak as though stability was all that was necessary. What, however, would avail mere stability if it were stability in the prosecution of a policy of repudiation and confisca-
