

Three Men Hurt When Street Car Smashes Auto

(Wrecked Machine Dragged 30 Feet After Collision at Sixteenth and Nicholas Streets)

Three men were severely injured Thursday night when a southbound street car crashed head-on into an automobile in which they were riding at Sixteenth and Nicholas streets.

Albert Jacobson, 6006 North Twenty-third street, driver of the automobile, sustained a fracture of the nose and a severe cut on his right hand. Orin Tyler, 3007 Jackson street, was severely bruised and had his left hand lacerated by flying pieces of glass. Paul Jones, 1539 North Seventeenth street, was removed to the Lord Lister hospital suffering from a fractured jaw.

The car in which the three men were riding was going north on Sixteenth street, following another automobile and a street car. At Nicholas street the street car stopped suddenly. The machine between the Jacobson car and the street car stopped sharply, avoiding a crash, and Jacobson was forced to turn to the left to avoid striking the other machine.

As he swung to the left of the northbound street car, a southbound car speeding down the Sixteenth street hill, crashed into his machine. It was demolished and the three men were hurled to the street. The street car was traveling so rapidly that the motorman, C. O. Gorman, was unable to stop until he had pushed the wrecked automobile 20 feet.

Witnesses of the accident declared that the street car had come down the hill at a speed of more than 20 miles an hour and had not sounded the bell.

Jones was taken to Lord Lister hospital. The other two men were taken to the police station and attended by Dr. Kinyoun, assistant police surgeon, and then sent to their homes. All of the men are expected to recover.

Legionnaire Editorship Again Offered Isaacson

Jake Isaacson, former promoter of prize fights for the Douglas County post of the American Legion, and later managing editor of the Legionnaire, the post weekly, was tendered the same editorial position at a meeting of the post Thursday night.

His salary as editor of the Legionnaire, if he accepts, will be \$250 a month. He resigned last February following criticism on the part of several post members who declared he was getting too much money.

Adjutant Harry Hough said Friday morning the vote to reinstate Isaacson was unanimous with the exception of Carl Kivins, who declared that the work could be more economically performed by committees. Isaacson was not at the meeting.
