Adele Garrison My Marriage Problems

The Hope of Escape Madge Cherished Only to Lose It.

There was no further word spoken carrying a heavy sack of grain. by any of the limeusine occupants

Draper's reference to the guarded inner gates of the country estate to was one of the guards who had opened once.

"Take this beauty to the third floor "George, you come along too."

I felt myself lifted by a powerful pair of arms which belonged, I guessed to the big man, and from the manner which he bent himself and maneuvered my body at one place, I knew that I was being carried through

The blanket over my face effectually prevented me from knowing exactly where I was. But I could tell when the big man climbed the steps to the door and when he turned to the right or left, and with a mighty effort I set my memory to work to count the stairs and the number of steps he

It was the only effort of any kind I hatred which Grace Draper cherished could make, although I had very littor me, and knew that nothing but tle hope of being able to make use of the knowledge, and even that hope would keep her from venting that died when a few seconds after we entered the door, Grace Draper said: "Here's the lift. We'll go up this

must be both commodious and luxurious and wondered if it were the home of the mysterious man of whom Lillian had told be, the multi-millionaire "parlor anarchist," whose identity as the secret power behind the gigantic conspiracy we were fighting.

Allen Drake and Lillian had begun to

We left the lift and after a few more steps of travel and maneuvering through another door, the big n stopped.

"Set her down on her feet," Grace until the machine stopped a second Draper returned, and I felt the blanket snatched from me. I reeled slight That we had driven through an- ly from the sudden change to an upother pair of gates I deduced from the right position, and the pain of the fact that the speed of the machine gag in my mouth, and my eyes caught had slackened to a crawl at one point the astonished, look of another pair and then had increased again. Grace of eyes set in a face vaguely familiar.

"Shaking in Your Shoes?" "Beat it now, and let his nibs know which I was being carried was fresh we're here." Grace Draper commanded in my mind, and I did not doubt it the big man, and he left the room at this he was right. Even had Farmer "George, stay here a little the barriers for us and had shut them while. I may need you," she directed next, then she stepped in front of me house. You see Reddy is always 'What's the program now?" the big and her malevolent eyes behind her man asked, when the machine had veil narrowed, and gleamed with

"At last!" she said. "I'm to have the feet of Farmer Brown's Boy without for me," Grace Draper replied, gentling of you, my dearie. They've promised me that."

> There was that in her voice and eyes which made me feel again as if. I suddenly had been enveloped in ice. I tried to brace myself bravely to meet anything she might do. She held my eyes steadily with hers for a long+ minute, then gave a short, contemptuous laugh.

"Shaking in your shoes, aren't you, you white-livered baby?" she taunted. "Well, it's no fun handling a coward. I'll wait till you get your wandering senses back. Perhaps you'll be able to pump up a bit of spirit then."

Curiously enough, the taunting took at each turn to the right or left. Words were a relief to the terror which had seized me. For I knew the orders which she dared not disobey ive form than words. At least, I ar- even knowing it. It wasn't until he ally his heart stopped thumping. gued from her restraint she could not had crouched in the darkest corner

and his tone was that of a farm hand Acquainted. Tis sometimes well to find we must Put faith in those we fear to trust. —Jumper the Hare.

When Jumper the Hare darted in at the open door of Farmer Brown's sugar house he gave no thought to what might be inside. It looked dark in there, and he had a feeling that it might give him a hiding place from Reddy Fox, who was almost at his heels. He had no real reason for feeling that Reddy would-hesitate to enter there, but he did feel so. . In Brown's Boy not been there, Reddy would have hesitated to go into that suspecting a trap.

Reddy that he ran right over the Jumper, and when he did it was

Uncle Sam Says

Milk and Our School Children.

This booklet, which is issued by, the United States Bureau of Education, emphasizes the necessity of the generous use of milk for school children. It discusses the results of an inquiry which developed that on an average not over 50 per cent of all Boy kept going a little nearer and a little nearer to that corner in which Jumper was crouching. It was only hard to adjust such a state of affairs for children which are intended to ima very little nearer each time, harddrinking milk and form the milkdrinking habit.
