Mrs. Quillon Tells How Lydia E. Pinkham's Vegetable Compound Saved Her from an Operation

Muskegon, Michigan.-"After doc-toring for eight or nine years with different physicians without any relief at all, they said at last that medicine would not reach my case and I should have an operation. I had heard of Lydia E. Pinkham's Vegetable Compound

advertised in dif-ferent papers where some women had suffered just as I did and got well and strong again by taking the Vegetable Compound. I decided to see what it would do for me, and before I had finished the fourth bottle I was much better, the weakness stopped and the severe pains in my sides left me. I am now much stronger and do my own work and work in the factory besides. I am still taking the Vegetable Compound and give it all the praise."—Mrs. NELLIE QUILLON, 17 Morris St., Muskegon, Mich.

Women should heed such warning

symptoms as bearing-down pains and weakness, for they indicate some fe-male trouble, and a persistent and faithful use of Lydia E. Pinkham's Vegetable Compound will seldom fail to help.
