

A Queer World

Dog Mothers Cat, Then Takes Tender Care of Flock of Little Chicks.

Bakersfield, Cal., April 5.—Strangest of dumb mothers is "Muggins," a spaniel, owned by E. Johnson of Taft, near here. The dog has taken into her keeping a brood of incubator chickens. "Muggins" possesses a reputation as an incurable mother. She but recently relinquished guardianship of the Persian cat belonging to the Johnson household, which she reared from a kitten. Now she has a whole flock of chickens. The fluffy little balls of feathers peep merrily as they scratch over their big, shaggy mother. Should they fall off they are consoled with a lick from Muggins' tongue.

Not in Portland.

Portland, Ore., April 5.—Dance endurance contests similar to those that have attracted attention in the east will not be permitted in Portland. This was the decision of the city council today when an application by a dance hall proprietor for a permit for such a contest was denied.

Commissioner Pier was the first to object, holding that such a thing was contrary to the best interests of the city, while Commissioner Barbour said that the contests of this nature did nothing more than make fools of persons.

Wrecked by Fiction.

Los Angeles, Cal., April 5.—J. W. Walker of Papeteo, Tahiti, one of the largest shipping men in the Society Islands, where he was born, terms many of the fiction stories about life in the South seas "criminal in their results in human wreckage."

"Many Americans have been lured by colorful tales of life with little labor, only to become beachcombers, stranded on the beaches of the Society Islands," said Walker. "They go there with insufficient funds and with no work in prospect. Inexperienced and unable to obtain positions in the commercial field, they soon learn they cannot compete as laborers with the natives. They go down grade rapidly, and eventually give up the struggle when they discover they have come to the end of rainbow without finding the pot of gold."

Walker is here fitting up the schooner, Northtown, for the island trade. It will be sailed to Tahiti by a native crew now on the way here, he said.

Says Execution Just.

Washington, April 5.—Execution of Vicar General Butchkavitch of the Roman Catholic church by soviet authorities was justified, Joseph P. Cannon, chairman of the workers party of America, declared in an address here last night. The statement drew applause from the audience of about 100 persons.

Smack of Kiss Echoes Through Record of Court

Judge Reverses Decision in Complaint of Pretty Girl Against Waist Shop Proprietor.

The "smack" of a kiss alleged to have been planted on the face of Ethel Laird, 17, 221 Bristol street, by Ben Ross amid the silken finery of his New York Waist shop, 222 South Sixteenth street, echoes on.

Judge Wappich of municipal court has added volume to the oscillatory echoes by reversing himself, rewriting records of the case, and announcing that in his opinion the position of Miss Laird has been vindicated.

Here's the history of "the kiss": Time—Last Saturday.

Place—A dressing room in an under-sidewalk section of Ross' shop, which contains a wealth of women's unmentionables and racks profusely hung with pretty cloaks.

On Second Visit.

Miss Laird made her second visit to the shop, according to her story, to try on a garment and went to a dressing room.

Ross followed her, she testified in municipal court Tuesday.

"He grabbed and kissed me, and said 'Don't be bashful,'" she testified.

"I did not," Ross swore, "an Easter shopping crowd swarmed the store."

And five girl employees of his shop testified Miss Laird and Ross were not alone at any time and that the kissing did not take place.

Olga Benniken, 19, 2411 Harney street, companion to Miss Laird, said it did.

Judge Wappich held the testimony was overwhelming in Ross' favor and discharged him.

Wednesday the judge reopened the case and wrote in the records that Ross was found guilty and placed under suspended sentence of 90 days.

"It was the first time I have made such an announcement in court," he said Thursday, "but I received so many phone calls from parents who told me about the experiences of their daughters that I am convinced justice erred and that untrustworthy testimony was offered in Ross' behalf. I can't call him back to answer the charge again but I can reverse the records and give Miss Laird the justice I feel is due her."

Charges Blackmail.

Ross charged Wednesday afternoon that it was an attempt to "blackmail" provable by three witnesses.

J. R. Laird, former county judge of Knox county, father of Miss Laird, said Thursday he was consulting other courts with a view to renewed action.

"I have the utmost contempt for a father who would accept cash satisfaction in a case of this kind," he said. "I look upon my daughter's situation as entailing sacrifices, but consider ourselves agents of justice for society, and look upon it as our bounden duty to try to wipe out a social cancer."

Miss Laird was employed at the

Ethel Laird.

World theater. The loud echo of the alleged kiss has jarred her loose from her job, said to be the theater's polly toward unfavorable publicity gained by employees.

Court Bars Boy

From Driving Gift Car

Melvin Sears, 16, son of C. W. Sears, Omaha attorney, lost the privilege of driving his car, a graduation present, for 15 days when he appeared in municipal court Thursday on a charge of speeding. He also was fined \$10.

Willard Clites, Fiftieth and Center streets, grain broker, was fined \$10 on a similar charge.

R. H. Kooper, 118 South Thirty-fifth street, was sentenced to a day in jail for speeding. Roy Bishop, 2194 California street, was sentenced to a day in jail on a charge of speeding and lost the privilege of driving his car for five days.

W. Hayden, Carter Lake club, drew a day in jail for reckless driving.

Steps Off Cliff to Death.

Montrose, Colo., April 5.—Blinded by a severe local storm, Morris Masholder, 15-year-old, sheep herder, stepped off a 20-foot cliff to his death here yesterday.

Woman Watches Horse-Whipping

Hands Tied by Georgia Kidnappers Who Lash Man Companion.

Macon, Ga., April 5.—Her hands tied by her assailants, Fredericka Pace, of New York, last night witnessed the severe horse-whipping of her companion, Lynwood L. Bright, of this city, after both had been kidnapped from their automobile by eight unmasked men and taken to a secluded spot about four miles from here.

The license number of the kidnappers' car was obtained by Mrs. Pace.

Bright, according to his version of the affair last night, said he had been given 24 hours in which to leave the city. He stated it would be impossible to comply, in that a week would be required to finish up his business affairs.

Mrs. Pace told officers the kidnappers said they resented testimony of a negro in Bright's divorce case against Mrs. Bright on last Monday. Bright said they also whipped him after they charged him with an attempt to take his property away from his children. He said he could identify some of his assailants, although he did not know them personally. Mrs. Pace was not molested further than being forced to watch the beating.

Mrs. Bright, when informed of the escape at her hotel last night, said she was very glad to know there were some men in the world anyway. Mrs. Pace declared before officers that "Mrs. Bright knows all about this kidnapping."

British Novelist Dies.

London, April 5.—The Honorable Mrs. Arthur Henniker, the novelist, is dead. She was the daughter of Baron Houghton and sister of the first marquis of Crewe. She was president of the Society of Women Journalists in 1896.

New Fluid Brings Dead to Life, Doctors Declare in Chicago

Chicago, April 5.—A new method of resuscitation by the injection of fluid from the adrenal glands directly into the heart, credited with reviving persons who had been pronounced dead, was explained in reports read last night by Dr. Dennis W. Crile of Chicago and Dr. G. W. Crile of Cleveland, O., his uncle, to a joint meeting of the Chicago Medical society and the Chicago Society of Anaesthetists.

The physicians read reports of cases, explaining the revival of persons they said had been dead as long as 30 minutes. In some cases, the physician said, patients who had been pronounced dead were revived, died again and were revived again at intervals and ultimately recovered completely.

As described by Dr. Crile, the method calls for the injection of large quantities of adrenal into the heart by use of a hypodermic needle.

Youth's Story of Mishap Doubted

Native German Declares Boy Arrested With 6,700 Marks Is Pole.

E. D. Steinwender, elevator operator at police station, and a native of Germany, after questioning W. M. Oglesky, 17, who told police that he fought in the German army, was captured by the British, and that he is trying to make his way to his home in Danzig, denied that Oglesky is a German.

Steinwender declares that the boy is a Pole. He says that if the boy's story of his age is correct, he would have been only 12 years old when he was in the army.

Oglesky had 6,700 German marks on his person when arrested.

Arrest of Lover Wrecks Romance

Girl Left Waiting at Altar Not Sure She Wants to Marry Now.

Astrid Hansen, 21, 4516 Blondo street, who was left waiting "at the altar" when detectives nabbed her husband-to-be for forgery, has reconsidered—she isn't sure she wants to marry him now.

She was in tears Thursday when William R. ("Bob") Thompson, 19, salesman, "keen dancer," her fiance, was arraigned in municipal court and held for trial under \$750 bond.

Charles H. Van Deusen, chief of detectives, predicted the \$50 Thompson is alleged to have obtained by forgery, would be made good by friends or relatives and that the charge would be dismissed.

Miss Hansen was astounded to learn that her lover had only \$250 when he was arrested.

"Why, he told me he had \$600 and we were to have a wonderful honeymoon," Miss Hansen said. "He has deceived me and I may not trust him so much when he gets out."

Scores of Jews Killed in Warfare by Moslems

Jerusalem, April 5.—Scores of Jews are alleged to have been killed in almost uninterrupted warfare launched on them by the Moslems at Yemen, southwestern Arabia, according to reports received here.

The reports add that many Jews, in order to escape death, have nominally accepted Mohammedanism and that numerous Jewish children have been seized and given the alternative of death or conversion.

The reports say that hundreds of Jews are in flight from town to town in an effort to escape their oppressors. Representatives of the Yemencities in Palestine have appealed to the Jewish organizations to provide aid with which the Yemencities Jews may be able to escape to Palestine.

Five Men Under Arrest Charged With Flogging

Georgetown, Tex., April 5.—Five men were arrested yesterday afternoon after the investigation by a court of inquiry in connection with the flogging of R. W. Burleson, on the San

Gabriel river, near Jonah, eight miles from here, Sunday night.

The men who were arrested and charged with the flogging are: City Marshal R. A. Hewlett of Taylor, Tex.; Murray Jackson, Dewey, Ill.; Sam Thredgill and Olen Gossett, all of Taylor. Judge C. R. Fabuson set their bonds at \$1,000 each.

This Will Ward Off And Break Up Colds

Just a teaspoonful of Dr. Caldwell's Syrup Pepsin removes the congestion

ANY FAMILY MAY TRY IT FREE

Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone in the family can use when constipated?" I urge you to try Syrup Pepsin. I will gladly provide a small free sample bottle, sufficient for an adequate test. Write me where to send it. Address: Dr. W. B. Caldwell, 515 Washington St., Monticello, Illinois. Do it now!

The two ailments that people generally regard as of the least importance are in reality the cause of most serious illnesses and of the greatest proportion of deaths. They are constipation and common colds. Many doctors now believe that colds, tonsillitis, a touch of malaria will cause constipation, instead of constipation being their cause. The fact remains that you seldom have a cold without constipation, due to general congestion. The only way to avoid colds is to keep up your vitality. You usually catch cold in the winter if you are run down. Therefore in cold weather exercise more; eat more fatty foods; drink four to six glasses of water a day; keep the head cool, the feet warm, the bowels open.

You are also less liable to colds if your system is free from the intestinal poisons of constipation, so empty the bowels regularly with a plain vegetable laxative like Dr. Caldwell's Syrup Pepsin.

At the first sign of a cold, at the first few warning sneezes, take a teaspoonful of Syrup Pepsin and the congestion will be gone in a few hours. Don't wait until the cold has a grip on you. Mr. Henry Dean, Jr., of Rochester, N. Y., cured a stubborn cold in just that way, and Mrs. Alice Corbrey of Haskell, Okla., uses it effectively for all the small ills of her family, such as constipation, biliousness, headaches, dizziness, and to break up fevers and colds.

Dr. Caldwell's Syrup Pepsin is a scientifically-balanced compound of Egyptian senna with pleasant-tasting aromatics. It is safe to give to infants, and all children like it. Before you again resort to cold remedies containing narcotics try a teaspoonful of Syrup Pepsin. Any druggist will supply you, and the cost is less than a cent a dose.

TAKE DR. CALDWELL'S SYRUP PEPSIN the family laxative

Buy your year's supply of suits Friday. Buy any two suits or bring a friend and each buy one—remember, any two suits for \$35. Extra salesmen will be ready to serve you quickly so that busy men can easily attend this great value-giving sale.

If Omaha was still a frontier TOWN

And if we might have a few "wild" cow-punchers to ride in each pay day . . . not to shoot up the town, but to visit the unscrupulous merchant who sells falsely "branded" merchandise. Then we would read in the press of the man who tried to take money under false pretense, but failed.

But why, you will say, should Pray ask for such times to return? Here is our answer:

We are the Sole Agents in Omaha for The Genuine EARL & WILSON SHIRT. Years back these shirts were commonly called "E. & W." shirts. They have delivered service, because they are honorably made of the finest materials. Dealers and manufacturers envy the Earl & Wilson reputation.

Today there is a firm manufacturing shirts whose firm initials are the same as those of Earl & Wilson. They, too, have chosen to call their shirts "E. & W."

Unscrupulous merchants buy these "sale" shirts. They hold false sales. The unthinking and unsuspecting public rush in at seeing ridiculous prices placed upon their favorite brand of shirts. They find later that they have been BUNCOED. That the VALUE was false. Sometimes these people never learn that a BUNCO game has been played. They turn against EARL & WILSON shirts unjustly. They tell their friends of how they were STUNG on "E. & W." shirts.

Now you understand why we want a few cow-punchers. It is a Pray Policy to sell Honest merchandise. To give Honest VALUES and HONEST SERVICE. We are proud to be the EXCLUSIVE dealer of such a wonderful brand of shirts. We are proud to advertise them. BUT WE DO NOT WANT the influence of our advertising to pave the way for BUNCO PLAYERS.

BEWARE OF "E. & W." SHIRT SALES. INSIST upon getting a GENUINE EARL & WILSON SHIRT and then you will realize just why this famous brand-marked shirt is so widely imitated.

Pray for men
