

Rites for Elks Building May 26

Prominent Members of Order to Attend Cornerstone Laying Ceremonies.

Date of the cornerstone laying of the new Elks' club building being erected at the southwest corner of Eighteenth and Dodge streets has been set for Saturday afternoon, May 26, with the following committee in charge of arrangements:

George F. West, chairman; C. E. Black, Everett, Buckingham, Mayor J. C. Dahlman, William J. Keane, W. W. Koller, Thomas P. Quinlan, Gus A. Renze, T. P. Redmond, Robert S. Trimble and Raymond G. Young.

J. E. Masters of Charleroi, Pa., grand exalted ruler of the order, will be a visitor at the ceremonies. J. G. McFarland of Watertown, S. D., a candidate for grand exalted ruler, also will be here. Frank L. Rain of Fairbury, Neb., past grand exalted ruler, is expected.

The new Elks' building will be eight stories and basement. The entrance will be on Eighteenth street and will lead through a large entrance lobby to the main lobby, 25 by 40 feet. Among the features will be the men's grill on main floor. The basement will be equipped with 10 bowling alleys with accommodations for 300 spectators. The second and third floors will be given over to club quarters.

The lodge room will occupy a considerable portion of the second floor and will run through the third floor. This will be 60x50 feet and will be finished in walnut. All furniture of this room will be of the same wood.

The third floor will contain card room, service room, billiard room, Turkish bath, executive offices and committee rooms. The fourth, fifth and sixth floors will contain bedrooms and baths, a total of 105 rooms. The seventh and eighth floors will be taken up with a large assembly hall and the lodge gymnasium. The assembly hall will seat 1,200 and will be equipped with stage and balcony.

The building will cover a space 132 feet square. In addition to this ground, the lodge owns a strip 33 by 122 feet immediately west, on which it proposes later to erect a smaller building to house swimming pool, locker and lounge rooms and handball courts.

The building will be completed December 1 of this year and will be one of the leading Elks lodge buildings of the country.

President of Butcher Workmen Quits Place

East St. Louis, Ill., April 6.—Cornelius J. Hayes, president of the Amalgamated Meat Cutters and Butcher Workmen of North America, announced late Thursday night he had resigned his position, effective April 1, owing to not being in harmony with other officials of the union. Patrick E. Gorman of Louisville, Ky., vice president of the organization succeeded to the presidency, Hayes said.

Cincinnati, April 6.—A telegram from Dennis Lane, Chicago, general secretary-treasurer of the Amalgamated Meat Cutters and Butcher Workmen to the Cincinnati local union ordering it to take a vote on filling the vacancy in the office of general president was the first intimation here that C. J. Hayes, St. Louis, had resigned, as general president of the organization. Investigation today developed that Mr. Hayes would go into private business.

Seven Fremont Men Plead Guilty to Gambling Charge

Special Dispatch to The Omaha Bee. Fremont, Neb., April 6.—Seven Fremont men pleaded guilty to charges of gambling and were bound over to the district court under \$200 bond as a result of an alleged holdup and the shooting of Wilbur Booth, one of the alleged bandits, on April 1.

They are Stephen Spence, Julius Mayer, William Schumaker, Ralph Sterman, Harold French, Arthur Kahn and John Brewer. The police were unable to serve a warrant on Roy Sorby, another of the alleged gamblers.

Orchestra to Make Final Appearance Here by Radio

Randall's Royal orchestra, which delighted thousands during a recent engagement at the Brandels restaurant, and which is now closing an engagement at the new Broadway theater, Council Bluffs, made a farewell appearance by radio at station WOAW Friday night.

Next week the orchestra leaves for New York at the instigation of the Oakford Music company, 419 South Sixteenth street, to make Vocalion records.

I. C. C. Orders Inquiry on Wool Transportation

Washington, April 6.—All railroad practices and rates in the west with references to train exportation of wool were ordered under investigation today by the interstate commerce commission. Examiners were ordered to open hearings at Billings, Mont., April 26; Salt Lake City, April 20; Boise, May 4; Portland, Ore., May 7, and Phoenix, May 14.

Pi Kappa Psi Fraternity in Convention at Lincoln

Lincoln, April 6.—The annual council of the fifth district of the Pi Kappa Psi fraternity began yesterday and will continue for three days. Nebraska Alpha chapter is host to about 50 delegates from Iowa, Missouri, Texas, Kansas, Colorado and Oklahoma.

Architects drawing of new Elks' building.

A Queer World

Robberies of San Diego Mail Continuing Year Solved—Committed by Boys 7 to 10 Years Old.

Starting Young. San Diego, Cal., April 6.—Robbery of rural mail boxes in East San Diego, that has continued for more than a year, with the probable loss of hundreds of letters and packages has been solved with the arrest of two members of a gang of children, aged from 7 to 10 years, federal officials announced today. One boy of 8 and another of 9 have been taken into custody. Names of the boys are being kept secret, but it was stated by Postmaster F. D. Dort, that both have made confessions. Discovery of the gang came through the tracing of a check for \$122.50 found in the hands of a child playing in one of the East San Diego streets. More arrests are likely to be made, it was indicated by postoffice officials.

Answered.

Fresno, Cal., April 6.—The death-bed plea of Max Bachman for music when the aged violinist and concert master died at a hospital here, was answered at his funeral yesterday by two former pupils, and members of his orchestra.

When Prof. Bachman was laid to rest at Temple Beth Israel cemetery, one-time pupils of the aged musician appeared with their violins and played Bachman's most beloved pieces.

Prof. Bachman, on his death bed had clasped his old violin in his arms, as he murmured with his last breath for music.

"Broadcasting" in Africa.

London, April 6.—"Broadcasting" a system of communication without wires which precedes radio transmission by many years on the Dark continent, is held largely responsible for the ever-increasing agitation among the negroes in Africa. Broadcasting is accomplished by means of drums, the messages being relayed over tremendous distances with great rapidity.

Prayer Service Held for Horace Roies of Iowa

Long Beach, Cal., April 6.—A prayer service today was the only ceremony here for Horace Roies, former governor of Iowa, who died last Wednesday. The body will be carried tomorrow to Waterloo, Ia., the former home of Governor Roies, where services will be held.

Births and Deaths.

Thornburg, 27, Omaha, and Evelyn K. Dunn, 19, Omaha. Rosario Valle, 24, Omaha, and Georsequina Itala, 25, Omaha. Angelantonio Rosato, 24, Omaha, and Maria Colombo, 19, Omaha. James Sayles, 21, Stout Falls, S. D., and Genevieve Beam, 17, Council Bluffs, Ia.

Pacifists Called Public Enemies

Americans Would Do Well to Inform Selves of Aims, Says Weeks.

Washington, April 6.—"Pacifist" propagandists and organizations in the United States were denounced as public enemies today by Secretary Weeks in a statement made public by the War department.

Americans would do well, the statement said, "to inform themselves of the facts and examine into the character and patriotism of those who are promoting the pacifist campaign, before taking a step that may readily align them with the enemies of the republic."

Widespread circulation of "incorrect and misleading statistics," Mr. Weeks said, had been accomplished by pacifist agencies, including "those forces in America, who are preaching revolution and the establishment of a communitarian government and also those who seem to believe that any army or navy is unnecessary. Uninformed but patriotic citizens, it was added, are lending themselves to reduce, if not destroy the military safeguards of the nation as a result of pacifist propaganda."

For Army and Navy.

The secretary said the following had appeared in a recent bulletin of an organization calling itself the National Council for the Prevention of War.

"The officially prepared charter enclosed shows that we are allowing one-fifth of our budget for 1924 for the army and navy. More than 85 per cent of that budget will go for past and future wars."

Secretary Weeks said the chart carried a legend stating it had been prepared from the budget report submitted to congress by President Harding in December, 1922.

"This government is not and never has been spending 85 per cent of its budget for military purposes," Mr. Weeks declared. "The budget reports of December 4, 1922, in a comparative tabulated statement numbered 2, shows that approximately a lesser amount of the annual budget is being expended for the national defense now than in the fiscal year 1915.

In the latter year 24.8 per cent of appropriations were for national defense, whereas, the appropriations actually made for the national defense for the fiscal year, 1924, were 13.5 per cent of the total."

Compared With Others.

Appended to Mr. Weeks' statement was an official statement prepared by the War department in graphic form to illustrate comparisons between the regular army of the United States and those of foreign powers. "Active armies" of 928,000 in Russia, of 720,000 in France, 275,000 in Japan, 270,000 in Great Britain and its territories, 250,000 in Italy and 100,000 in Germany were compared to that of 136,619 in the United States.

Raymond Hitchcock Having Renovator Reconstruct Face

Los Angeles, Cal., April 6.—Following the lead of Fanny Ward, Edna Wallace-Hopper and other notables of the stage and screen, Raymond Hitchcock is having his face reconstructed. This is the first known case of a man, other than one maimed in war or accident, undergoing such treatment.

Emulating the well known Ponce de Leon, the famous actor's presence in Hollywood, where he is submitting to the ministrations of a facial renovator, was revealed for the first time today. Few, even of his friends, knew he was here.

Hitchcock came here about three weeks ago on the recommendation of the "manager" of a well known picture actress, who herself had submitted to the facial reconstructive process.

It will be several weeks before Hitchcock's facial reconstruction is completed. Meanwhile he is living in a Hollywood apartment house.

Anti-Mask Bill Passed

St. Paul, April 6.—The Minnesota senate yesterday passed the Cain anti-mask bill without a dissenting vote. The bill which, its proponents said, is aimed at the Ku Klux Klan, passed the house earlier in the session and now goes to the governor.

27 Injured in Iowa Rail Wreck

Four Coaches Overturn in Derailment; Second Crash Occurs.

Marshalltown, Ia., April 6.—Twenty-seven persons were injured, three seriously, as the result of last night's wreck of the Minneapolis-Kansas City passenger train, No. 3, on the Chicago-Great Western, three miles east of here. It was learned today.

That no one was killed and no one fatally injured was considered remarkable. Four of the seven cars making up the train turned over on their sides, shaking up passengers and bruising them. Several were cut by shattered glass. Another fortunate feature of the accident was that it occurred just where it did, for had the train traveled a quarter of a mile further, it might have plunged into the Iowa river, swollen by recent rains and melting snows.

As soon as the wreck occurred William Newlove, engineer of the train, left for this city, pulling a deadhead tourist car and a baggage car, intending to summon help and take the two cars to the scene of the wreck as a relief train. After proceeding about half way to this city the two cars were derailed. Newlove hurried to the station.

A relief party consisting of a dozen or more physicians was recruited by Mayor A. C. Conway, also a local surgeon of the Chicago & Northwest-railway, and the party requisitioned a part of the northbound passenger train for relief. It was impossible, however, to get closer to the wreck than the derailed cars, and some time was lost. Temporary aid for the injured was given by the physicians. The relief train reached here early today.

Probable Snow Saturday Predicted by Weather Man

Snow is predicted "probably" by the weather bureau for today. It was snowing Friday morning at Miles City, Mont.; Duluth, Minn.; Rapid City, S. D., and Sheridan, Wyo.

Snow is not unusual for this time of the year. Meteorologist Robins said, in 1917 and 1918 there was a little snow here on May 2, and in 1917 on April 29. Low temperature here Friday morning was 43.
