

Buffaloes Confronting Spree; Corsicana in Final Game of Spring Training

Konetchy and Defate Clout Out Homers

Barney Burch and Manager "Koney" High in Prayer of Omaha Club.

Special Dispatch to The Omaha Bee, ORSICANA, Tex., April 10.—The Corsicana club was unable to withstand the batting attack of the Omaha Buffaloes at opportune times this afternoon and the Buffs won, 8 to 3. Konetchy and Defate of the Buffs lambasted the pill for home runs.

Score by innings: R. H. E. Omaha.....003 002 102-3 11 3 Corsicana.....000 021 000-3 2 3 Batteries—Clout, Speese and Hale, Corsicana; Rosenaur and Lacy.

The Buffaloes broke spring training camp in Corsicana and left this afternoon for Dallas to play the Dallas Stars of the Texas league tomorrow before the opening of the Western league against the Tulsa Oilers Thursday.

President Burch stated that he was well pleased with his team and that in his opinion it was the best team since he had been at Omaha. "I feel, with the present club, Omaha will be represented by a stronger aggregation than since I have been here, if the pitchers live up to expectations. It is the opinion of every man in the club that if any club in the league is leading Omaha, they will be in first place," asserted Mr. Burch.

Burch praised the offensive and defense of the Buffs and stated that the base running of the team was the equal of any of the league. Manager Ed Konetchy stated: "We're ready."

President Burch also said that Nick Cullup would start the season in the opening game against the Tulsa Oilers Thursday.

The club has been handicapped as all other clubs have, which trained in the south, by the rainy season, which has been almost continuous since the arrival of the baseball clubs in the south.

President Burch intimated that he thought the race in the Western league lies between the Omaha Buffs and the Tulsa Oilers. President James K. Crawford of Tulsa stated the same views, on a recent visit to Corsicana.

Burch stated that, according to the present plan of the club, Corsicana would be the spring training camp of the Buffs during the spring of 1924.

Schlaifer to Give Weight to Ryan
Morrie Schlaifer expects to give three pounds in weight Friday when he fights "Billy" Ryan, Cincinnati, at the Auditorium in the main event of the Spanish-American War Veterans' fight card.

Schlaifer expects to weigh in at 147 pounds, his fighting weight, but he is permitting Ryan to weigh in at 150.

The Omaha welterweight, however, is not alarmed at the difference in weight. He believes he will be able to spot Ryan a few pounds and still emerge victorious in the fray.

Ryan will arrive in Omaha today or tomorrow.

Commy Curry, who is to meet Earl Puryear in a 16-round go the same night, also is expected today or tomorrow from his home in Sioux City.

A six-round bout and a four-round bout will complete the Friday night show.

Portland Catcher Sold.
Portland, Ore., April 10.—Ollie Fuhrmann, catcher of the Portland club of the Pacific Coast baseball league, has been sold to the Evansville, Ind., club of the Three-I league. Portland club officials announced today. Fuhrmann came to Portland last year from the Philadelphia Athletics.

Firpo and His Opponent

Luis Angel Firpo and Jack McAuliffe.

Just how good is new Jack McAuliffe, heralded western heavyweight, who has been selected to exchange punches with Luis Angel Firpo, Argentine champion, in New York on May 12? McAuliffe is every bit as big as his giant adversary, but not quite so heavy. In his ring encounters the ex-tronworker has shown to good advantage, but he needs a lot of finishing and Firpo may do that finishing at the Polo grounds.

Stable "Second to None in World" to Be Formed by Syndicate of Omahans

A stable "second to none in the world," will be recruited by a syndicate of Omaha horsemen.

Billy Nesslehour who will be at the head of the syndicate, will make a trip to Kentucky and eastern racing points to buy a galaxy of promising 2 and 3-year-old runners in the near future.

J. G. Bussey, his trainer, will accompany him. Part of the stable probably will be assembled in Omaha. The whole string, however, will be taken to Tijuana next fall.

To win the Cofroth handicap has become Nesslehour's ambition since he saw his wonderful Adonis beaten in the rich event by a streak of bad racing luck Sunday, March 25.

"Instead of it being worth \$30,000 with added money to the winner, it will be worth \$40,000 with added money next year," Nesslehour said. He is united in his praise of the Cofroth racing plant and the entire organization.

A Unique Record.
"Jack Atkins is a fair and capable handicapper," he said, "and it is the high racing standard and efficient operation which is going to make Tijuana the greatest racing point in the country."

Nesslehour returns from the western meeting with a most unique record. With only two performers in his stable a greater part of the time, he ranks 11th among the biggest money winners this year. He credits his trainer, Bussey, for the great success of his small string.

Had Adonis not been beaten by cooperation of two jockeys, Claver on Feylance, and Rebuke, the winner by a nose, Nesslehour would have ranked second to C. B. Irwin, who tops the winning list with \$49,050.

Adonis Whips Rebuke.
Irwin has 40 gallopers in his barn. "Adonis is a better horse than Rebuke, despite the fact that I paid \$5,500 for Adonis while J. K. L. Ross paid \$2,500 for Rebuke.

"Adonis has three times whipped the pride of the Ross stable and can do it again."

And to substantiate his claim he points to the following excerpt from the San Diego Union: "As the field swung into the stretch, Adonis on the outside, Polly Wale next to him, Prince Tii Ti second from the rail, and Feylance on the inside, were racing as a team."

"Then the co-operation. As the field came down the stretch, Feylance began to tire and Jockey Claver knew the Ross star was through.

"Suddenly Jockey Pool on Rebuke who was on the rail right behind Feylance yelled 'out,' and Claver pulled Feylance away from the rail. Jockey Pool brought Rebuke through the small opening made by Feylance and got up in time to defeat Adonis."

Glory in Defeat.
Another paragraph said: "Perhaps the most outstanding feat of the race was the performance of Rebuke, who, after being beaten by Adonis, finished the race in a most creditable manner."

High Scores Made by Trap Shooters

Dannebrog Winner and Seven Others Running Close to 100 Breaks.

Special Dispatch to The Omaha Bee.
Nebraska, Neb., April 10.—Dannebrog carried off first honors in the central Nebraska trapshooters' registered shoot here, with a score of 244 out of a possible 250. Other cities dished in the following order: Holdrege, Kearney, Ansley, Elwood, Bartley, North Platte, Grand Island, Glenview, Hastings, Red Cloud, Trenton, Callaway and Oxford.

With 148 guns entered in the shoot, 14,000 targets were broken. John Nelson and Will Lumburg, shooting with Dannebrog, each picked off 99 birds out of a possible 100. Lumburg sluffed his 92nd pigeon. L. Bunney of Atlanta, shooting with Holdrege, also joined the 99 class.

Other high guns were H. Helbeck of Holdrege and J. Van Cott of Ansley, with 98 each; H. J. Kerr of Ansley and L. Edwards of Bartley, with 97 each.

The Kearney Gun club will put in another trap immediately, thus operating four traps at the next shoot and also plans to start at 10 o'clock in the morning, instead of at noon.

Boehler to Share in Deal.
Pittsburgh, Pa., April 10.—Pitcher George Boehler, for whom the Pittsburgh Nationals gave the Tulsa club of the Western league \$35,000, will get part of the purchase money. It is stated in advices received here from Memphis, Tenn., where the Pirates played yesterday, Boehler made no request to the Tulsa management for a share of the money.

Omaha Gun Wins.
Lincoln, April 10.—An Omaha trap shooter, D. B. Thorpe, carried away the honors in the regular weekly shoot of the Lincoln Trapshooting club here. He was high gun with 86 out of a possible 100 birds.

Al Tearney to Attend Opener.
St. Joseph, Mo., April 9.—Al Tearney, president of the Western league, notified officials of the St. Joseph club today that he had accepted their invitation to attend the opening game of the 1923 season to be played here Thursday between Sioux City and St. Joseph.

South Regulars Win.
The South High regulars beat the yannigans, 7 to 2, in a practice game at Athletic park yesterday afternoon. Kulwich hurled for the regulars and whiffed eight men in the seven-inning contest.

Scrambled Sports of West

Frank Isbell, better known to Western league fans as just plain "Baldy," may soon quit the ranks of a poor baseball manager.

Isbell, so the story travels, has some oil leases near Sayre, Okl., the newest wildcat field, which may bring him a little extra "dough."

Just let them discover a gusher on Isbell's leases and the Wichita Western league club will be on the market.

"Batting" Siki could knock out his ring opponent as quickly as he does waiters in restaurants, it wouldn't be long before the Senegalese would be fighting on this side of the pond.

Soon after Siki returned to Paris he knocked out a restaurant diner who laughed when he said he had shrunk from a light-heavyweight to a middleweight on the trip to Ireland.

It's a cinch that if Siki keeps on knocking diners "cold" they will be the only ones he'll get a chance to knock out.

The gentle game of bill and take would be better off if it could get rid of such an unmanageable fighter.

Jess Willard may say he's in fighting condition but O' Duke Bill Maloney, high chief of the New York boxing commission, also believes in the old saying: "Seeing is believing."

Muldoon has instructed Willard to put the finishing touches to his training for the Johnson bout, in New York where the duke himself can bump Big Jess in training.

Willard may be in condition and then again he may not be in fighting trim. Say what you will of the big fellow's condition, it is impossible that he should have the same fine edge that it will be possible for Floyd Johnson to gain. When a man passes the 30-year milestone, all the training in the world, no matter how conscientious, he cannot keep the fine fervor of the early twenties.

Big Jess is at Excelsior Springs, Johnson in New York. Both are training hard. But, Johnson has youth and for some years it will be his to do with as he chooses. With Willard's it's different. So when these two men meet together in New York May 12, youth and love of battle should beat what skill and cautiousness is now the property of the man who once held the world's championship.

White Is Off Form.
Chicago, April 9.—Johnny Williams of New York and Charlie White of Chicago, lightweights, fought 10 round rounds here last night. Some newspaper men called it a draw and some gave White a slight shade. White was far from the form he has displayed heretofore and Williams took White's best left hooks and came back for more. Williams bled some from the mouth after the sixth round and White had a puffy eye. Otherwise, they showed no effects of the slow boxing.

Williams Defeats McNeil.
"Bob" Williams defeated Guy McNeil, 35 to 24, in 44 innings last night in the state three-cushion tournament at Ernie Holmes parlors. Williams had a high run of seven, which is the highest run scored thus far in the tournament.

"Billy" Usher and Ray Shields play at 8 o'clock tonight.

Give Sweeter Leave.
New Haven.—Jesse E. Sweeter of Yale, national amateur golf champion, will be granted leave of absence from college to go abroad as a member of the American team to compete for the Walker cup with Great Britain, it was announced.

Young' Goldie Loses.
Salt Lake City, April 10.—'Young' Goldie of Omaha was defeated by Alie Mishkind of Salt Lake City in a six-round bout here today. They are lightweights.
