A Different Kind of Salesman

¶ Omaha Bee "Want" Ads are not the kind of salesmen who carry grips and sample cases. You never see their names on hotel registers.

Nevertheless they're busy every minute-morning, noon and night. Instead of your being obliged to furnish them "leads," they locate their own prospective buyers; tell your story exactly as you want it told, and continue telling it as long as you keep them on the job.

Notwithstanding this, Omaha Bee "Want" Ads work cheaply. Think of sending a salesman to call on more than 75,000 prospective customers every day with an expense account of only a few dimes. That's all Omaha Bee "Want" Ads cost.
