

Further Inquiry Into Ballantyne Death Under Way

Statements About Slaying Contradictory, Police Say—Insistence of Murder Complaints Delayed.

Salt Lake City, April 12.—Issuance against one or more persons of complaints charging murder in connection with the slaying here last Monday of Benjamin F. Ballantyne, former bank teller, was unexpectedly delayed when officials announced that further investigation of alleged contradictory elements of statements by principals in the case was in progress.

Although definite announcement was made by County Attorney E. Moreton that informations were being prepared against John Browning, Jr., son of John M. Browning, noted firearms inventor, and his cousin, Marriner Browning, who are being held in connection with the case, the complaints had not been filed to-night.

Officials said that a third person, alleged to have been an accessory before or after the fact, was under surveillance and indicated that another arrest was imminent. Ballantyne was fatally shot in his fashionable residence here during an altercation, it is alleged, with the two Brownings. Marriner Browning has confessed that he fired the shot which killed the former banker, according to the police.

Discovery under a couch in the room where Ballantyne was shot of the ejected shell from the pistol alleged to have been used by Marriner Browning was announced by the police. Officials said Wednesday that it would have been impossible for the shell to have been ejected under the couch if Marriner Browning stood in the position he claims he was in when the fatal shot was fired.

Police also pointed out that the Brownings declared Ballantyne stood in an upright position as he was shot. Examination of the wound, according to D. J. Galligan, city physician, disclosed that the bullet entered the left side of the neck, ranged downward and emerged from the right shoulder. As the bullet struck no bones, the city physician asserted this would indicate that Ballantyne was in a crouching position.

The condition of Mrs. Ballantyne, who has been confined to her father's home in Ogden, suffering from nervous shock since the slaying was reported unimproved Wednesday night and no effort was made to interrogate her.

Peggy Marsh, Reported Engaged to Millionaire By Universal Service.

Paris, April 12.—Peggy Marsh, whose love and matrimonial adventures have interested two continents, was Wednesday reported engaged to marry "Laddie" Sanford, heir to the Sanford Washington (D. C.) millions and famous young international polo player.

Peggy, who occupies a large suite at the Hotel Majestic here, smilingly refused to comment on the report, but admitted:

"I like 'Laddie' tremendously; he is so virile, every inch a man."

Peggy also refused to comment on the rumors that young Sanford had been lavishing expensive gifts upon her.

Sanford could not be found.

Chicago Tribune Editor Is Decorated for Services

Washington, April 12.—Robert R. McCormick, editor of the Chicago Tribune, has been awarded a distinguished service medal for exceptionally meritorious services during the world war as commander of a battalion of the Fifth field artillery and later as a lieutenant colonel and colonel commanding the 112th and the 61st field artillery.

The citation said Colonel McCormick "displayed rare leadership and organizing ability, unusual executive ability and sound technical judgment, contributing materially to the successful operations of the artillery of the American expeditionary forces."

Court Asked to Appoint Receiver for Wheat Growers

Spokane, April 12.—Request for the appointment of a receiver for the South Idaho branch of the Idaho Wheat Growers' association was made in district court at Pocatello yesterday by the Northwest Wheat Growers, association of Portland and Minneapolis, it was announced here to-night.

The statement says that the complaint was filed by the associated growers "in the interest of co-operation generally." It also is said that the bad condition in South Idaho is, in the main, a result of a poor estimate of future business by the board of directors of the unit.

Hoosier Truckers Have to Repair Roads They Spoil

Warsaw, Ind., April 12.—Owners of a number of heavily laden trucks, which have damaged public highways in Kosciusko county, will be asked to bear the expense of the necessary repairs and failing to do so will be prosecuted, according to the county commissioners.

Counsel Expects to Find Dishonesty in Vets' Affairs

Washington, April 12.—Disclosures of "dishonesty on a pretty big scale here and there" in the past handling

Millionaire Bus Boy in Hotel from Sweden

Carl Bergson.

Here is New York's first and only millionaire bus boy. He hails from Stockholm, Sweden.

When he first arrived with his mother, Bergson engaged a suite at \$18 a day in a hotel, but later moved to more economical quarters.

He reports for work every morning now at the Waldorf-Astoria at 9 o'clock, "does his stuff" and likes it. He is in America to learn the hotel business "from the bottom up," after which he will return to Sweden probably to operate one for himself.

of veterans' bureau affairs was predicted by Maj. Gen. John F. O'Ryan, special counsel of the senate investigating committee, who said he based his statement on a preliminary survey.

Students Fatally Injured in Automobile Collision

Sandusky, O., April 12.—Richard Sweet of Battle Creek, Mich., and Sheldon Brown of Dubois, Pa., both students at the University of Michigan, were fatally injured this afternoon three miles west of Monroeville, when the automobile in which they were riding crashed into another car.

Western Oil Men Elect

Galveston, Tex., April 12.—Election of officers was the principal business before the Western Petroleum Refiners' association convention today.

Action on the LaFollette senate oil investigation report also is expected.

Personality Pet Show to Be Held

Animals to Be Judged on Qualities of Character Instead of Pedigree.

The Pet Owners' Association of Nebraska has planned a personality pet show to be held Saturday, May 19.

Prizes of this show will not be given for length of pedigree or gloss of hair, but for qualities of character that the pets have shown. The bravest, most devoted, most friendly and best trick pets will be rewarded. But since the pets are modest and cannot speak for themselves, their owners will have to speak for them. This they can do either by writing an essay 50 to 200 words in length or by giving a three-minute talk the afternoon of the show.

All pet owners from 6 to 16, or children who can borrow pets, may exhibit. Special prizes also will be given for the prettiest pet, the homeliest pet, biggest, smallest, oldest, youngest, most unusual pet and the one from the longest distance.

All Omaha children who wish to enter may obtain entry blanks by writing or applying to Aunt Patty, at the Nebraska Humane Society building, 924 North Twenty-first street. No pet may be exhibited unless it has been entered and all pets must be brought to the shelter the morning of the show to be tagged. The entry blanks are to be in by Saturday, May 12, so that Aunt Patty will know how many to plan on. The stories written for the pets must be in at that time also.

A story contest for out-of-town pet owners also will be carried on in connection with this show. Prizes will be given for the best stories from 100 to 300 words on "My Pet's Personality." These stories are due May 12. The story should be about the writer's pet, may include all four of the points mentioned for the Omaha exhibitors and a description of the pet.

Man Who Killed Family Held for Sanity Test

Seattle, April 12.—Mitsuzo Endo, Seattle dealer in second-hand goods, who Wednesday walked into the police station and announced that he had slain his wife and three young children, was held Wednesday night in expectation that examination would be made as to his sanity.

Endo, according to authorities, has given two explanations of the quadruple tragedy. One was that he was jealous over his wife. The other was that she had refused to return with him to Japan where he has several children by a former wife who is dead.

Endo, according to the investigators,

told them that he had asked his wife to agree to a division of their property and to let him return to Japan, while she remained in this country, but that she had refused.

Alliance Man Seeks I. C. C. Permit to Hold Two Jobs

Washington, April 12.—Consent to continue as general superintendent of the Chicago, Burlington & Quincy railroad at Alliance, Neb., and also to retain his place as a director of the North Platte Valley railroad was asked of the Interstate Commerce commission Wednesday by Albert George Smart of Alliance. Mr. Smart sets forth that one position in no way embarrasses his holding the other.

Boston Publisher Suggests Music as Cure for Disease

Cleveland, April 12.—Music as a cure for disease was suggested by G.

C. Birchard, music publisher of Boston, in an address before the Music Supervisors' National conference, in annual convention here. He declared he knew of several cures effected by music. The treatment, Mr. Birchard said, could be given to groups of people assembled for community singing.

Mr. Birchard explained that music induces a hypnotic state in which the subconscious mind exerts an enormous influence upon the body.

A boy's glee club of Davenport, Ia., gave a concert at the morning session.

Ship Ashore; Crew Saved.

Seattle, April 12.—The American schooner Robert Lowers went ashore near Pachena Point, Vancouver island last night while the tug Sea Monarch was attempting to take it in two at the mouth of the strait of Juan de Fuca. The crew of 23 was taken off by the tug Humacoma, according to a wireless message received.

Syrup Pepsin Loved By Hosts of Babies

Hold a teaspoonful will make a fretful youngster happy and playful

THE mother has her choice of many remedies for her baby's minor ills, but she should be careful which remedy she selects lest she do the child harm. What she do for herself may do injury to an infant. You will find that if the little one cries and doesn't want to play that its bowels are constipated. First look carefully to the diet and give the child one-half teaspoonful of Dr. Caldwell's Syrup Pepsin. You will then see results in a few hours. You will not have to force it on babies or children; they actually ask for it, it is so pleasant-tasting and free from gripping.

Dr. Caldwell's Syrup Pepsin is a compound of Egyptian senna and pepsin with agreeable aromatics. The ingredients are stated on the package. It is a mild, gentle vegetable laxative that everyone finds effective and pleasant. It is better for you and yours than purgatives, coal-tar drugs, or salt

waters and powders, which may concentrate the blood and dry up the skin; or mercurial calomel, which may salivate and loosen the teeth.

Use a safe laxative like Syrup Pepsin, and especially for the children, for invalids, growing girls, nursing mothers, elderly people, and persons recently operated upon who need bowel action with the least strain. Mrs. Lillian Brenington of Woodruff, S. C., always gives her children Dr. Caldwell's Syrup Pepsin, and Mrs. A. E. Blonfin of Muskegon, Mich., will not have any other laxative in her home. Your druggist will supply you, and it only costs a cent a dose. Try it in constipation, colic, biliousness, flatulency, headaches, and to break up fevers and colds.

TAKE DR. CALDWELL'S SYRUP PEPSIN The family laxative
