Ralston Women to Erect Club House

The Ralston Woman's club, Mrs. W. C. Edmiston, president has opened a campaign for funds for a \$10,000 club house, which they will erect this summer, building to commence about June. The building, which will be used for a community center, will contain an auditorium and club room on the main floor and a gymnasium and kitchen in the basement. The site for the new building, which is already paid for, is located on the main street, near the school house. Thirty-five hundred dollars has been subscribed toward the building fund. Beautiful Hair Fascinates All

The hair fetishist, technically, is a criminal who cannot resist the temptation to steal hair; who cannot see a beautiful woman without being uncontrollably seized with a desire to snip a lock of her hair and carry it away.

Yet the hair fetishist, criminologists say, is only abnormally afflicted with the same fascination for beautiful hair which all of us possess in milder form.

Features are unchangeable. Size and figure are more or less unalterable. But beautiful hair is within the power of every woman.

Regular and thorough cleansing with FITCH SHAMPOO is the first requisite of a clean, dandruff-free scalp, and beautiful, healthy, glossy, lustrous hair.

Without proper care and attention your hair is bound to be dull, thin and scraggly. Use FITCH SHAMPOO and your hair will be clean, colorful, and altogether charming.

The FITCH SHAMPOO is on sale at first-class toilet goods counters. In two sizes, 75 cents, \$1.50 for family package. Complete directions in package. Applications at leading barber shops.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards' Olive Tablets among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. Bernhardt Wanted All the Flowers in Paris That Day, Writes Mrs. Baldrige

"The king of England's cortege could not have been more impressive than Bernhardt's," writes Mrs. Howard Baldrige from Paris, of the funeral procession of Divine Sarah. "There were fully two blocks of carriages containing flowers and apparently hundreds of thousands of people on the streets walking. There were blocks and blocks of carriages full of all kinds of notables. Bernhardt requested no services at her grave, but she said she wanted all the flowers that Paris had that day, and I guess she got her wish, for it looked more like a floral parade than a funeral. They had trucks and trucks covered with flowers, and carriages with flowers inside and out, even the tops being covered. "Then came Sarah's funeral car, a huge affair smothered with flowers, all white and green, calla lilies, Easter lilies and wreaths of lilies of the valley. "White flowers, exclusively, are allowed here on a funeral car passing through the streets, only for the funeral of a child or a young unmarried girl. If any well known person errs in this respect, the French hiss the car as it passes and refuse to lift their hats. But Sarah was so beloved that every hat was lifted and nothing but silence greeted the car. Her wonderful war work and great generosity were remembered for she has always given freely of time and money to her country and has trained hundreds of actors without charge."
