

### London Festive for Marriage of Duke of York

Society "Combines" for Week of Brilliant Events—Harvey to Attend Two Functions.

By Universal Service.  
London, April 21.—Society has "combined" to make next week a sequence of brilliant events to mark the marriage of the duke of York to Lady Elizabeth Bowes-Lyon and the opening of the London season. All of Mayfair will be en fête the entire week.

Monday is St. George day and the prince of Wales will preside at the festival of the Royal Society of St. George. On Tuesday, Amassor Harvey, who has just returned from a tour to Norfolk, attends the annual reunion and dinner of the British war missions to the United States. Wednesday, he attends the Ypres Memorial fund luncheon at the Savoy hotel. On Thursday the royal wedding takes place at noon time with a reception afterward at Buckingham palace. In the evening there will be gala balls throughout the city, all the great hotels planning dinners and dances.

The Marchioness Curzon is planning a great ball at Lansdowne house, and the prince of Wales and Lady Mayfairites will attend to aid charity. There will also be many private parties.

### Horacek Now Realtor.

F. C. Horacek & Co., a real estate and financial organization, formed by officers of the Union State bank and others, has been elected to active membership in the Omaha Real Estate board. F. C. Horacek, president of the Union State bank, is also president of F. C. Horacek & Co. Membership in the realty board makes this firm realtors.

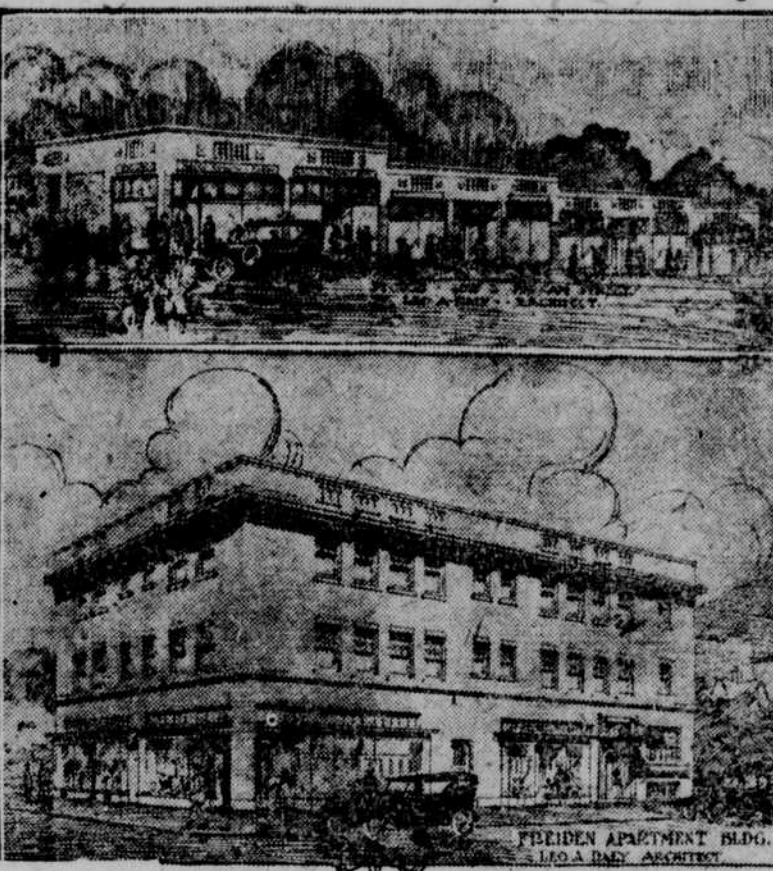

### Apartments With Radio.

New addition to the Lorraine apartments at Thirty-first street and Dewey avenue is being built by H. A. Raapke. Each apartment in the new addition will contain five rooms, and will be equipped with radio connections. Another feature will be a private garage under the building.

### Omaha Synagogue Pledges Palestine Fund Donation

So sacred do his coreligionists consider the coming of Dr. Chaim Weizmann to Omaha that the services of Bnai Israel, of which S. Ravitz is president, were suspended for an hour Saturday to permit Rabbi F. Clach-

### George & Co. to Manage Insurance Building

The Bankers Reserve Life Insurance company Saturday appointed George & Co. managers of the new 10-story home office building which the insurance company is erecting at the southwest corner of Nineteenth and Douglas streets.

Edwin S. Jewell, rental manager for George & Co., and Howard G. Loomis, manager of the Omaha National Bank building, will have joint charge of renting the building. After obtaining the tenants, the management will be in the hands of George & Co. exclusively.

George & Co. are managers of the City National Bank building, the Standard Oil building, the Sunderland building and the Cook building now being erected on Howard street. The Bankers Reserve building is expected to be finished next fall. The insurance company has agreed to vacate its present quarters in the City National Bank building August 31, to occupy the upper floors of its own building.

The ground floor of the Bankers Reserve building will be so arranged that it may be occupied either by stores or offices.

nowitz of Lunz to make an appeal for the redemption of Palestine.

Before the religious services were resumed, the synagogue had voted to donate a substantial check to Dr. Weizmann for the Keren Hayesod (Palestine Foundation fund). The congregation was in tears as Rabbi Clachnowitz described the suffering of the homeless Jews in eastern Europe. He made the appeal for the support of the hope extended to those homeless Jews through the San Remo mandate.

M. J. Slonim also made an appeal and showed what America is doing towards the redemption of the Holy Land and praised the communal activity of Omaha Jewry. Yesterday afternoon the Congregation Hamed-rosh Hagadol held special services in honor of Dr. Chaim Weizmann. Rabbi Clachnowitz and M. J. Slonim made addresses.

### WOAW to Broadcast Church Services by Radio Sunday

Rev. R. R. Brown will conduct radio gospel services from station WOAW Sunday morning from 9:30 to 10:45. The tabernacle choir of 50 voices will sing. Miss Marie Danielson will be soloist. Other music will be furnished by a male quartet composed of Daniel and Simon Ramseyer, T. J. Nelson and E. R. Brown, the MacIntosh trio and the orchestra.

### Head Cages for Dogs With Short Noses, Judge's Idea

### Herzberg Building Addition Rapidly Nearing Completion

Work on the addition to the Herzberg building is progressing rapidly, and its completion is assured by the middle of August.

A. Herzberg is now in the east with his architect studying the newest ideas in floor plans and fixture equipment for their dress shop which will occupy the entire sixth floor of this new building.

All departments throughout the store will be enlarged or rearranged to conform with the plans of expansion.

It is noteworthy that in a space of 18 months since the erection of the five-story Herzberg building, they are forced because of the growth of their business to build this addition. When completed this will be one of the largest exclusive apparel stores in the country.

### Real Estate Company Will Carry Out Labor Day Spirit

George T. Morton of Harrison & Morton, realtors, received a carload of maple trees which will be set out in a new addition west of the Field club and Douglas county hospital. He is doing this in the Arbor day spirit. Rudolph Timmer of Benson selected the trees for Mr. Morton.

Mr. Morton and others have been interesting the county commissioners in the proposition of planting trees in and around of the county hospital grounds. Residents in the vicinity of the Field club and the county hospital are becoming imbued with the tree-planting spirit and it is believed that this southwest district of the city will receive quite an impetus from the good example that is being set.

Last fall Harry A. Wolf planted 500 trees in an addition adjoining the tract which Mr. Morton will beautify.

### Disabled Vets to Oppose Training Pay Reduction

Omaha chapter No. 5, Disabled American Veterans of the World War, will hold a meeting Saturday evening at 8 at the club rooms, 216 Leffing building. Action on the proposed reduction of the compensation and training pay received by all disabled men at this time will be considered.

Resolutions opposing such action on the part of the government will be adopted and sent to the national headquarters of the organization. A buffet luncheon will be served to all those who attended.

### Paving District Created for Florence Boulevard

Charles W. Martin announced last week that a paving district is being created for the boulevard which he is building in Florence field, the big 200-acre tract which lies north of Fort Omaha and on both sides of Thirtieth street. This boulevard will connect with the Minne Lusa boulevard and with the north end of the Happy Hollow boulevard system. Grading of this driveway is now practically completed.

A new sewer is now being laid in North Thirtieth street from the north end of Minne Lusa to Florence, preparatory to finishing the widening

and straightening of this street which work was begun in 1922. According to Martin the street railway company will begin moving its rails to the new street center this week.

### Grading Is Under Way at Lakewood Addition

Legal petitions are being prepared by Shuler & Cary for the installation of sewer, water and gas mains, and for the laying of sidewalks and paving in the addition which this firm of realtors is developing on the east side of Lockwood addition.

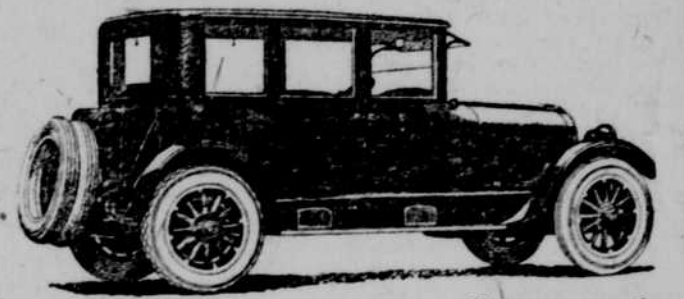

Grading is now well under way and the other improvement work will start in a short time. There will be 36 lots in the addition.

STANDARD OF THE WORLD

After all, the test of value is demand;—the increasing public preference for Type 61 is clear evidence that the public is convinced of the car's unapproached value.

## The New Phaeton Reo \$1645

### In Harmony With the Spirit of Summertime

Trim and buoyant is the New Phaeton Reo. Smartly fashioned, carefully tailored and equipped for ultra comfort, it's all a car in the summertime should be.

Flexibility to trail or lead the city traffic, and brute power for mountain grade and cross-country touring is supplied by the famous Reo six cylinder 50 h. p. engine.

Intake valves in head, large ports, 4-bearing crankshaft (balanced statically and dynamically), positive cooling and lubrication, and remarkable accessibility are among its features.

Included as regular equipment are steel disc wheels, cord tires, nickel-plated bumpers, motorometer, vanity case, cigar lighter, electric clock, carpets in both compartments, metal-framed side curtains. Upholstery of hand-buffed leather, gray dual tone finish

Low-hung for riding comfort and road balance, the generously dimensioned body and wide, deep seats with their rich, enduring upholstery put new standards of enjoyment into motor travel,—local and long distance!

Ruggedness to counteract difficult road conditions is built into the distinctive Reo chassis. The inner-frame mounting of power units, 13-plate clutch, large-faced transmission gears, and a sturdy, quietly-functioning rear axle combine to prove Reo is dependability personified.
