Gray Hair Unnecessary

As I Have Proved

I proved it many years ago by restoring the original color to my own prematurely gray hair with the name Restorer I use every day. This time-tested preparation never fails, as hundreds of thousands of gray-haired people since have learned.

There is not space in this advertisement to tell my story. Send for Free Trial bottle and learn all.

Mary T. Goldman's Hair Color Restorer is a clear, colorless liquid, clean as water. No greasy sediment to make your hair sticky and stringy, nothing to wash or rub off. Application easy, restored color perfect in any light. Faded or discolored hair just as surely and safely restored as hair naturally gray.
