"My Pretty Mother—her hair isn't gray and ugly"

What woman has not thrilled at the praise of her little son? She knows the sincerity of his compliment. But wouldn't it hurt to hear his mother say "Mother is old." Gray hair means age to children. They cannot discriminate. Stay young for your children. Retain their admiration.

Do not permit your hair to age prematurely. Brownatone instantly tints gray, faded, streaked or bleached hair to natural shades of brown or black. Easy to apply. Guaranteed harmless to hair, scalp or skin. At dealers 50c and \$1.00. Trial bottle sent direct for 10c.

Now I ask a favor of the ladies

I have a great delight—an olive oil shampoo for them

Dear Madam,

V. K. CASSADY, B. S., M. S., Chief Chemist

Your husband knows me—the chief chemist at Palmolive. I have just given him a new delight: a gentler, quicker shaving cream.

Now I have as great a joy for you. A gentle shampoo—olive oil! that does not make hair dry and brittle, that leaves it soft and gleaming.

The favor I ask is that you try it. And then give me your opinion.

I asked 1000 women

Recently I asked over 1000 women what they wanted most in a shampoo. They named but one requirement. But as yet had failed to find it. A thorough cleanser that would take out all grime and foreign matter—yet

which would not take away the life and lustre that adds so much to charm. Scores of scalp experts agreed. They said ordinary shampoos were too harsh. And advised the olive oil shampoo but made a point of olive oil.

So the olive oil shampoo

Now I offer you the olive oil shampoo—world famous—for you to use at home.

After the ordinary harsh shampoo, results will be a revelation. You will note them in your mirror. Your friends will note them.

And then you will do as thousands have done—thank me for a new delight.
