## Code Fund Deadlocks Legislature

Adjournment Taken Until Today in Hope Conference Can Agree on Appropriation for Secretaries.

## Bryan Alleges Shortage

Special Dispatch to The Omaha Bee.  
Lincoln, May 1.—Failure of the house and senate to agree on whether the governor should be given an appropriation of \$60,000 for code secretaries in the face of a certain veto of the Mathers-Dysart bill, which provides for grouping state activities under constitutional officers, resulted in a deadlock in the legislature tonight. As a result both house and senate adjourned until 9 in the morning in the hope that conference committees working on the discrimination might agree.

## Senator-Elect Speaks at Better Homes Show

## Howell Tells How to Improve American Home

Edward A. Marshall Gives Suggestions on "Beautifying a City Lot"—Miss Hansen Lectures.

Popular Question. "The home seems to be a very popular question and rightly so," said Senator Howell. "Everyone should join in trying to better the home. For as has been expressed many times, the home is the foundation of the nation."

Attractive Dress Discussed. A large number of women heard Evelyn Hansen, specialist on women's dress, speak on "Well Dressed and Moderate Income." Monday afternoon, Miss Hansen makes her talks very entertaining as well as interesting.

## U. S. Holds Monroe Doctrine Not Subject to Discussion

By Universal Service. Santiago, Chile, May 1.—The United States holds that the Monroe doctrine is a "national unalterable policy," and that it is not a subject for discussion at international conferences.

## Piano Playing Marathon Record Broken by Texas

By International News Service. Houston, Tex., May 1.—Sixty-two hours and 22 minutes of continuous piano playing was the new world record made today by T. J. Kennedy, Jr., the "masked marvel of marathon melody."

## Mexico Will Make War on Foreign Gamblers

Brownsville, Tex., May 1.—Americans and other foreigners who cross to Mexico to gamble or engage in any sort of vice hereafter will be deported, Mexican Consul Alonso Ulla announced here. "The Mexican government is sincere in its efforts to suppress gambling," the consul said, "and the federal government is determined to drive out foreigners who cater to vice."

## Gigolo—How do you pronounce it?

We'll let you in on part of the secret—it's pronounced Zhig-oh-ee. Odd, isn't it? But not too odd to be true. Edna Ferber wrote the story and it is one of her best. You will find it in the magazine section of THE OMAHA SUNDAY BEE.

## May Day Is Signal for Walkouts

Building Trade Unions in Majority of Strikes Called in All Sections of Country.

## Holiday Is Peaceful

New York, May 1.—Seven thousand union members of building crafts celebrated May day in New York city by demanding and receiving a dollar a day increase in wages. Two branches of the American Federation of Labor were involved. The masons helpers, 4,000 strong and members of the International Builders and Hod Carriers union.

## Scores Injured in May Day Riot in French Capital

Paris, May 1.—Rioting in which scores of persons were injured and one policeman was possibly mortally wounded marked the close this evening of the quietest May day Paris has seen in years.

## Street Mob Fights to Hear Debs Talk

Chicago, May 1.—A May day celebration of the Amalgamated Clothing Workers of America blasted into the proportions of a riot today, when several thousand members of the organization tried to batter their way into the Auditorium theater to hear Eugene V. Debs make a speech after the police had been forced to close the doors.

## Chicago Police Called to Theater as Riot Looms—Several Persons Arrested.

Chicago, May 1.—A May day celebration of the Amalgamated Clothing Workers of America blasted into the proportions of a riot today, when several thousand members of the organization tried to batter their way into the Auditorium theater to hear Eugene V. Debs make a speech after the police had been forced to close the doors.

## Head of Krupp Works Faces Trial for Life

Essen, May 1.—Dr. Gustav Krupp von Bohlen und Halbach, president of the Krupp works here, was arrested today by the French military authorities in connection with the shooting at the Krupp plant on March 31, when 14 Germans were killed and 30 wounded in a clash with French troops.

## Part of Nebraska Hit by Severe Heat Storm

Beatrice, Neb., May 1.—A heavy wind, rain and hail storm passed through a section of country west of here this afternoon, extending south over the Nebraska-Kansas line. Reports are to the effect that the ground was covered with hail to the depth of several inches. Telephone and telegraph wires south of here are out of commission. A severe storm is reported at Marysville, Kans. A heavy rain fell here this evening.

## Man and Woman Are Severely Hurt When Train Hits Auto

Kearney, Neb., May 1.—Mrs. J. Woleb has been rushed to the hospital here, suffering from a broken leg and possible internal injuries, and Tom Gould is confined to his home with lacerations on the head and body, as the result of an accident on the railroad crossing east of Astell. They were struck by a fast freight train, while attempting to cross the tracks in an auto. The machine was carried over a block before the train was brought to a stop and Mrs. Woleb and Gould could be removed from the wreckage.

## Virginian Railway Will Electrify 225 Miles of Track

Pittsburgh, Pa., May 1.—The Virginian railway will electrify 225 miles of its tracks between Roanoke, Va., and Mullins, W. Va., as quickly as equipment can be obtained. The contract for the electrification is the largest ever awarded, involving a total of \$15,000,000. It includes everything from huge locomotives to power stations. The division affected crosses the Allegheny mountains.
