

the comedian was drawing a salary of \$600,000 a year, it was declared by Samuel Goldwyn, formerly head of the Goldwyn Picture corporation.

Mr. Goldwyn testified before the federal trade commission which is seering to determine if the Paramount interests control the motion picture industry. Mr. Goldwyn said that Miss Pickford's demands had made it necessary for the Famous Players-Lasky interests to charge the municipal election today and with more for her pictures than could him George Dayton, William Schroedbe obtained under their contract with | er and John Wright, present com Paramount. Thus came into existence missioners. the Artcraft company, which later added other stars, he said.

Mr. Goldwyn testified that after ber of the commission. the formation of the Goldwyn company in 1917, great difficulty was and the vote was the lightest for experienced in getting its pictures years. exhibited in important cities, due to control of theaters by the Paramount Famous Players-Lasky interests and the franchises of the Associated First National. He said he was forced to buy half interests in about 30 thea ters, 18 of them being in Chicago and vicinity.

Testimony that First National pictures was organized by 23 theater Estate Valued at \$125.000owners having theaters in 27 large cities in the United States, was giv-

en by S. L. Rothafel, its first pres ident and now director of the Capitol heater here. He said the purpose of he Capitol theater was to give the

films in order to increase the sale in who died April 25 in Coatesville, Pa., other parts of the country.

With regained favor, cotton frocks open the summer season. Little wonder for their welcome, for no end of thought has been spent planning the placing of hand drawnwork and the concocting of an excuse to add an extra ruffle of fine val lace. Those of voile are of cobwebby sheerness, the linens of handkerchief fineness and the ginghams of clearest, coolest colors.

Hand-drawn Voiles Ratines Tailleur Crepes Hand-drawn Linens Shantung Silk Fru Fru

A tucked yoke of organdy adds quaintness to one model; the combination of voile and linen produces a frock as smart and yet as cool as the most exacting young person might ask. And picturesque is the wearer of these.

Experienced motorists know that the best way to buy tires is to go to a responsible dealer who wells a tire of known quality and backs it up with service.

We have been selected as Goodyear dealers because we do business on that basis.

We are reliable and experienced, too much interested in the growth of our business and the protection of our good name ever to give you anything but a square deal.

We know tires, and we recommend Goodyear Tires because we believe they will deliver you the utmost in economy and satisfaction.

If you deal with us we pledge ourselves 'o give you the kind of service that will get out of Goodycar Tires the mileage built into them at the factory.
