University of Nebraska Track Team Likely to Have Real Tussle in Contest With Kansans

Huskers and Haskell Indians Meet Saturday

Dual Track Meet Will Be Preliminary to State High School Classic at Lincoln.

By TRACKSTER.

It has been two years since Haskell Indians have met a University of Nebraska track team. On May 14, 1921, they had a disastrous session with Schulte's men at Lincoln. The final score was 100 5-6 to 25 1-6. Those were great days for Husker weight men. Fred Dale heaved the shot 43 feet 6½ inches, Moulton hurled the platter 126 feet 10 inches, and Carmen sent the javelin sailing for a mark of 169 feet 9 inches. With Ed Smith and Deering in the dashes, Kretzler in the two-mile, McDonald and Stromer in the quarter, and with the peerless Floyd Wright in the hurdles, Schulte had a Valley championship team. But Captain Allen, Lear, Turner, Gardner, Slemmons, Hatch, Crites, Lloyd and Noble make up a still greater team, and we expect them to win from Haskell next Saturday at Lincoln.

Last week they came through and beat Kansas, who were doped as favorites.

Delving into records we learn that Schulte's Missouri and Nebraska teams have met Kansas 16 times in dual meets. Except for one time—in 1914 outdoors—the Jayhawk has bowed to a Schulte-trained, a Schulte-directed and a Schulte-inspired team. Kansas university won't "own the valley" while Schulte retains his health.

Little is known of Haskell this year. We have seen no accounts of dual meets. There are a few performances of the Indians, however, that make us sit up and take notice. Here is what the Indians have done to date:

At the Kansas Relays.

Kipp placed second in the high hurdles.

Erkins placed third in the broad jump. Placed between Hatch, Nebraska, and Norton, Kansas.

Auge won the discus with a mark of 132 feet 10⅜ inches.

Elkins tied with Hartley, Nebraska, for fourth in the javelin.

At the Drake Relays.

Auge placed third in the discus with a mark of 132 feet 4½ inches.

At the Penn Relays.

Elkins placed third in the Pentathalon. He made marks of 21 feet 2½ inches in the broad jump; 150 feet 5½ inches in the javelin; was second in the 1,500-meter run and tied for sixth in the 200-meter run.

While we feel sure that Indian Schulte's squad have the Indian sign on Haskell, still we have a lot of respect for their prowess on the track and field and we foretell a real meet next Saturday morning when Husker and Haskell tangle.

Gene Tunney May Meet Mike McTigue

New York, May 9.—Gene Tunney, American light-heavyweight champion, will be Mike McTigue's second opponent for the world's 175-pound title, providing the Irish-American successfully defends his crown against Georges Carpentier on July 14.

This was assured today when Joe Jacob, McTigue's manager, agreed to accept Promoter Tex Rickard's terms for a match with Tunney. Tunney is eager to sign. If arranged, the bout probably would be held at the Yankee stadium in August.

Carpentier, Rickard announced, has canceled his match with Joe Beckett, English heavyweight, in London, June 14, in order not to risk further injury to his hands before meeting McTigue. Georges damaged both his left and his "famous" right in defeating Marcel Nilles for the French heavyweight title last Sunday.

McTigue will be welcomed by a delegation of Irish-American societies when he arrives from Ireland Friday, where he captured the light-heavyweight title from Battling Siki.

Low in Golf Meet.

Knoxville, Tenn., May 9—Hugh H. His total score was 158, leading G. F. Lamprecht, of Tulane university, by two strokes.

Cards Release Mueller.

Philadelphia, May 9.—The St. Louis Nationals announced the optional release of clarence Mueller, an outfielder, to the Houston club of the Texas league. Mueller is a native of St. Louis and had been with the Cardinals three years.
