

Freeze Damage to Fruit Light: Alfalfa Is Hit

Potato Tops Frozen and Beans Damaged — Strawberry Loss Heavy in Some Localities.

Special Dispatch to The Omaha Bee.
Wymore, Neb., May 10.—A heavy frost occurred here, no frost being recalled by oldtimers here this late in the season since 1905, when a killing frost came May 5. The temperature fell to 30, water outside showing one-eighth of an inch ice. Potatoes and beans are flattened. Fruit on trees is not considered badly damaged. Some growers near here used smudge pots throughout the night. George Hilder, farmer, Blue River bottom land, reports thin ice, a white frost, not doing much damage except to gardens. On the Lake Brudenthal farm, highland, a small damage to growing grapes and cherries was reported.

Peru, Neb., May 10.—A. T. Tart, fruit grower, thinks frost on highlands was not hurt by the frost, but on lowlands some damage occurred. It has been a heavy rainy season, the air is damp and frost was effective.

Nemaha, Neb., May 10.—E. H. Moore, heavy fruit grower, states his apples are not seriously damaged by the frost. There was ice, the thermometer registering 27 degrees. Considerable damage was done to the extensive strawberry fields near here, some fields being a total loss. Cherries seem to be all right.

Lowlands Suffer Loss.
Brownville, Neb., May 10.—J. F. Furnas, extensive pioneer fruit grower, says the severely cold winds

caused slight damage to foliage and buds, but thinks no damage to fruit was caused by the frost.
Strawberries Loss Heavy.
Syracuse, Neb., May 10.—Growers here claim that strawberries were badly damaged. Tree fruit, however, appears to be all right. Gardens were 50 per cent destroyed.

Hubbell, Neb., May 10.—Most garden stuff here is late. The frost did little damage except to kill potatoes, and the tops of alfalfa are reported withered. The last killing frost in March was 25 years ago, according to old settlers.

Potatoes Hard Hit.
Superior, Neb., May 10.—Thermometer 30 degrees, with a good frost and one-eighth inch ice. Gardens are late and sustained small damage. Farmers report 15 per cent damage to fruit.

Fremont Episcopal Rector Accepts Washington Call
Special Dispatch to The Omaha Bee.
Fremont, Neb., May 10.—Rev. A. H. F. Watkins, pastor of the St. James Episcopal church, has accepted a call to fill the pulpits of churches at Kenesawick and Pascoe, Wash., adjoining towns. As a token of esteem, he was presented with a gift by the members of Fremont lodge, A. F. & A. M., the commandery and the chapter.

He has been chaplain of the Blue lodge and captain of the commandery for some time.
Rev. Mr. Watkins is forced to make the change on account of his health.

Shenandoah to Entertain Nebraska City Students
Special Dispatch to The Omaha Bee.
Shenandoah, Ia., May 10.—When the 45 seniors of the Nebraska City High school observe "senior day" today and motor to Shenandoah, the Commercial club here will arrange to entertain them.

A picnic dinner, a matinee and a supper at the Mizpah hotel will be features. Robert Perry and Jimmie Glass, seniors in Shenandoah High, will act as guides.

Boy Mourns for Sister, Comrade Killed in Car Crash in Bluffs

Yesterday the pet rabbits in the rear of the Ellis J. Kreger home, 1706 Avenue B, waited in vain for their young master to feed them and pull their long ears playfully, in accordance with daily custom.

Donald Kreger, 6, their master, sat quietly in the house. There was a lump in his throat and a troubled expression upon his little face, while big tears welled occasionally from his baby eyes. He was just beginning to realize that Sophie, 8, his sister and constant comrade in both the glad and sad things of childhood, will not romp with him again nor ever laugh with him over the funny tricks and pranks of his rabbits.

But the pet bunnies, wrinkling their noses and nibbling in their pen, do not understand.
Hurled Against Curb.
Wednesday evening, while playing happily near the Kreger home with her brother and other children of the neighborhood, Sophie ran into the street, unmindful of an approaching automobile driven by George B. O'Brien 1522 Tenth avenue.

A moment later she was lying huddled against the curb. Shouts of her romping companions were hushed by the sight of the tragedy and strong men carried the limp little figure into the Kreger home.

Less than half an hour later Dr.

W. P. Hombach told her parents that the little girl was dead, her neck having been broken by the impact with the curbstone.

O'Brien, according to witnesses, was not driving fast and he stopped his machine before any of the wheels passed over the body of the girl. He attempted to avoid the collision by driving into the curb. A fender struck the girl, knocking her against the curbstone.

Nearly hysterical himself as a result of the tragedy, the motorist helped carry his victim into the Kreger home and waited until the doctor told them there was no hope for life. Then he drove to police headquarters to report the accident.

He was not booked on any charge, but was released upon his own recognizance, pending further investigation of the circumstances. O'Brien is employed as a machinist at the Sprague foundry.

With him in the car at the time of the accident was his fiancée, Miss Viola Carter, 1510 McPherson avenue. They planned to get married in June, but may defer it now. Miss Carter said Wednesday night.

Baby Killed as Car Hits Wagon

Auto Fatally Injures Infant Riding in Cart Pulled by Brother.

Clinton Sanders, 3, passenger in his brother, Alfred's, coaster wagon, en route to their home from National Refining Co. at 9 Wednesday night, was struck and mortally injured by an auto driven by J. N. Lund, 6529 Franklin street, at Twenty-second and Pierce streets.

The baby died three hours later at Lord Lister hospital where he was taken by police, called by his mother, Mrs. Minnie Sanders, 1039 1/2 South Twenty-second street.

The elder brother, Alfred, 8, suffered a badly wrenched knee. He was treated by police surgeon and left at home.

Mrs. Sanders, separated from her husband, George, a chef, had worked late Wednesday. Her custom was to leave the children with a neighbor when detained at her work at night.

Alfred declares the auto which struck him and his brother had no lights and bore down upon them with-

out warning from the north on Twenty-second street.

While the mother grieves with head pillowed on her arms in the front room of the modest home, kind neighbors move quietly about ministering to the injured lad who breaks the almost incessant whimpering for his lost brother with occasional cries of pain in his injured knee.

Attempt is being made by friends of the mother to locate her husband.

Conscience Leads Youth to Police

Son of Wealthy Manufacturer Confesses to Theft of \$1,000.

By International News Service.
Chicago, May 10.—George Archibald, 20, son of a wealthy manufacturer in the east, walked into the sheriff's office here today and, according to the officers, confessed that he had taken \$1,000 last February from the offices of a railroad camp in southern California.

"From the last night I took this money," Archibald is said to have told Deputy Sheriff King, "my life has been hell. I have lived in constant terror of the law."
Inquiries by Deputy Sheriff King disclosed the fact that no warrant

was ever issued for Archibald. Archibald is now looking for a job, the sheriff said, and declares he will pay back every cent.

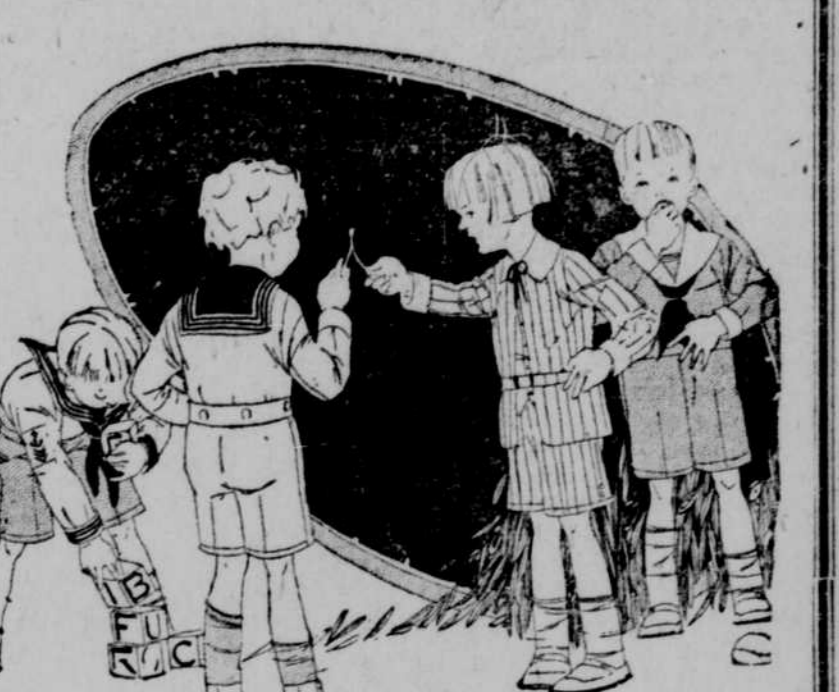

More than 20,000 steamers, tugs and barges ply the river Rhine.

State to Aid in Omaha Campaign

Norfolk Man Gives \$300 to Jewish Community Center.

John Robinson, president of the Norfolk Hide and Fur company of Norfolk, Neb., has started a state-wide campaign for funds in connection with the drive here for \$250,000 for a Jewish community center building, according to Chairman Harry Lapidus yesterday.

Mr. Robinson volunteered a contribution of \$300.
"Jewish men and women who reside in the state outside of Omaha owe a certain duty to their brethren in the congested larger cities," Mr. Robinson said yesterday. "We who reside in the small cities and towns sometimes fail to realize the necessity of community centers in the larger cities. I am going to appeal to the Jewish people of the state to join with Omaha in making the Jewish Community Center building in Omaha a reality."

Mr. Robinson plans to communicate with every Jewish family in the state.

Fremont Educator Dies.
Fremont, Neb., May 10.—D. D. Martindale, civil war veteran and known throughout the state as an educator, was buried in Fremont. An unusually large crowd was in attendance at the funeral of the former county school superintendent.

A Better Clay
A white, perfected clay did this
By Edna Wallace Hopper

After 40 years as a famous beauty, I still look like a girl. Thousands who see me daily, on the stage elsewhere, marvel at my youthful bloom and contours.
But mine was largely a cultivated beauty. French beauty experts, many years ago, taught me how to do it. And my girlish looks at my grand old age are due to the helps French scientists created.
I have supplied these helps to countless women, and they secured like results. Plain women became beauties. Women old in years have warded off every sign of age. So I know these helps can bring to millions what they crave. And I have decided to supply those helps to all who wish to use them.

First, new-type clay
Many years ago French experts taught me to use clay. They said that famous beauties of all ages had employed it.
They then used crude and muddy clays, like many use today. But they have since perfected clay by 20 years of scientific study.
By countless tests they have found the supreme clay, a rare mineral-laden clay. They have learned how to refine it, to remove the useless mud. My clay today is white and clean and dainty. They have found added factors which bring new and manifold results.
The clay I now use—my White Youth Clay—is nothing like the old-time clays. I have used clays for many years, but no other clay has ever brought comparable results. So now I am having this new-type clay made for all who wish to use it.
Edna Wallace Hopper, Business Address, Waukesha, Wis.

You must use clay
Clay is essential to beauty at its best. It brings new beauty, and at once. Many women, in 30 minutes, seem to drop ten years. I have seen it make plain women almost raving beauties. Clay users stand out everywhere for their beautiful complexions.
How it restores and maintains one's youthful bloom and contour is shown by my girlish face.
Youth Clay purges the skin of all that clogs and mars it. It acts to remove the cause of sallowness, blackheads and blemishes.
It brings the blood to the skin to nourish and revive it. That brings the rosy afterglow, so amazing when you see it.
It firms the skin, combats all lines and wrinkles, reduces enlarged pores. Thus it gives my skin, even at my age, the smoothness and bloom of a girl.
No matter what your age, the greatest kindness I can do for you is to urge you to employ it. If young, do it for added beauty. If older, do it to renew your youth.
Edna Wallace Hopper's Youth Clay is now supplied by all druggists and toilet counters. Price, 50c and \$1 per tube. Also my Youth Cream, which should follow the clay. Also my Facial Youth, my famous liquid cleanser. Also my Hair Youth, to which I owe my heavy, lustrous hair. My Beauty Book comes with each.
I guarantee that any will delight you. If the first package fails to you, your dealer will return its price.

It was almost Magic

Magic

A French Chef, famous the world over for his cooking, told her:
"Flavor—flavor—that's the one thing that counts in cooking. Insist upon flavor. Demand flavor."
"The one sure, unfailing way to get supreme flavor in coffee is to use M-J-B Coffee."
"Its flavor comes from the skill, the money, the lifelong knowledge of fine coffee, back of every can."
"You can make it strong or weak—as you prefer, but you'll always get flavor. Use M-J-B. You'll find the results you get almost magical."

—and for supreme flavor in tea—Tree Tea.
