## Boston Victor Over St. Louis by 7-6 Score

Braves Fill Sacks in Eleventh but Triple Play Retires Side—Marquard Weakens.

**B**OSTON, May 16.—Southworth's first home run in the last of the 14th enabled Boston to defeat St. Louis, 7 to 6, today. In the 13th his diving catch of Bottomley's drive resulted in a double play. Boston had the bases full with none out in the 11th, when Boeckel's drive was speared by Freilgau, who threw to Bottomley, doubling Southworth. Bottomley then threw to Stock at first before Cruise, running for Fillmore, could return, completing a triple play. Boston made six runs in the seventh off Doak. Thereafter Barfoot pitched well. Marquard weakened in the eighth and ninth. Toporcer made four errors.

## EDDIE'S FRIENDS

## Champion Now Down to 190 Pounds—Says St. Paul Boxer Is "Logical Foe"

By International News Service.  
Great Falls, Mont., May 16.—Tommy Gibbons is a dangerous fighter, but I am in excellent physical condition and will be in fine fettle on the day of our battle and will surely retain my title.

This declared Jack Dempsey, 4th & 8th weight champion of the world, who is in Great Falls today preparing to get down to hard training for his championship fight with Tommy Gibbons of St. Paul at Shelby on July 4.

Dempsey arrived here yesterday, two days in advance of original plans. Dempsey, looking bronzed and hardened from his brief outdoor work in Dempsey City, Utah, told International News Service that Gibbons is the only logical opponent for a heavy-weight championship battle, and that the challenger's string of successive knockouts mark him as a dangerous rival.

"I feel fine," declared Dempsey, "and weigh only 190 pounds, but I came to Great Falls early in order to get down to hard training immediately. I will clip five pounds off my present weight before the Fourth of July."

Dempsey declared he would employ none but capable sparring partners, saying he wants to train with men who have the ability to "sock him on the jaw."

The champion said he would have more than 20 good boxers in his camp within a few days, following the arrival of Manager Jack Kearns.

Dempsey would not discuss any possible bouts after the Independence day battle.

"Wait until I lick Gibbons," he said. "You know I am always ready to fight."

Entitled to Bout.

Dempsey stated that Billy Miske was the only man he had fought whom Gibbons had also battled. Gibbons and Miske had three battles with varying results, he said, "but I knocked Miske out in short order."

"Gibbons, with his 23 knockouts behind him, is a powerful fighter and I am going into this July battle with earnestness," Dempsey asserted.

Dempsey was the guest of State Senator Tom Walker of Butte at a dinner here last night.

## Fights Not So Bad, Says Evers

The fistic affair in Philadelphia some days ago between "Casey" Stengel of the Giants and "Lefty" Weinstert of the Phillies, caught my interest as it undoubtedly did others. While not the best thing in the world for the game, it isn't so very bad, either, the way I look at it.

It shows that the men are interested in their work. When players go so far as to have a regular pitched battle, then the old game is very healthy. But this does not mean that I approve of fistfights on the diamond. I merely interpret it as indication they had team spirit at heart.

I have a reputation for aggressiveness because of the rackets I got in during my playing days with the old Chicago Cubs and at other times in my diamond life. Still, I never once touched an umpire with even a finger, nor a player with a spike during my 20 years in the game. It is a matter of pride with me that what I did do was to have my say when I believed the team was suffering from a bad decision.

## Upton Sinclair Held on Suspicion of Syndicalism

### Noted Author Defies Ban on Speeches in Los Angeles Harbor District Where Strike Is on.

Los Angeles, May 16.—Upton Sinclair, novelist and socialist, is under arrest by Los Angeles police on charges of unlawful assembly and suspicion of criminal syndicalism. It was announced today by Chief of Police Louis D. Oakes. Oakes appeared at the police headquarters, having taken Sinclair and three others in custody at San Pedro last night, but gave no intimation as to where the arrested men were taken.

Los Angeles, May 16.—An attempt by Upton Sinclair, author, to conduct an outdoor meeting at Liberty Hill, last night, by reading aloud the preamble to the constitution of the United States, was interrupted by Chief of Police Louis D. Oakes, who broke up the gathering and escorted Sinclair and three companions to a waiting automobile and the machine was rolled away to a destination unknown early today.

The action of Chief Oakes came as a climax to efforts by Mr. Sinclair, his brother-in-law, Hunter Kimbrough, Prince Hopkins and Hugh Hardyman to obtain a permit from the Los Angeles authorities to conduct a meeting at Liberty Hill, where assemblies were prohibited since the strike of the Marine Transport Workers branch of the Industrial Workers of the World, has been underway.

Not Located in Jail.

Although police announced the party would be taken to headquarters and brought to book, a check of the stations in the Los Angeles district early today failed to reveal Sinclair, Kimbrough, Hopkins or Hardyman in custody at any of them.

At Sinclair's home in Pasadena, Mrs. Sinclair was quoted as saying that she had been advised by Mrs. Kate Crane Gartz of Pasadena that her husband was in jail in Los Angeles. Mrs. Gartz was a member of the Sinclair party at Liberty Hill last night, but was not molested by the police.

When he was refused a permit to speak, Chief Oakes quoted Sinclair as saying he would go to jail if necessary, in as much as his rights as an American citizen authorized him to speak.

Still Held.

Earlier yesterday, Mayor George E. Cryer refused to grant the Sinclair

party permission to hold a meeting in the Harbor district.

Mr. Sinclair quoted his constitutional rights.

"Too many come here to talk about their constitutional rights," Mayor Cryer said. "They forget their constitutional duties."

Chief Oakes could not be located early today to explain the whereabouts of the Sinclair party.

It was said at police headquarters this morning that Sinclair was still in custody but it could not be learned where the chief had taken him.
