BOOK FIVE, CHAPTER IV.
Deeper and deeper into flowery
France! That was the sentence
Claude kept saying over to himself
to the jolt of the wheels, as the long
troop train went southward, on the
second day after he and his company
had left the port of debarkation.
Fields of wheat, fields of oats, fields
of rye; all of the low hills and rolling
uplands clad with harvest. And BOOK FIVE, CHAPTER IV. uplands clad with harvest. And everywhere, in the grass, in the yellowing grain, along the roadbed, the second day the boys were still calling to each other about the pop-pies; nothing else had so entirely surpassed their expectations. They had supposed that poppies grew only on battlefields, or in the brains of war correspondents. Nobody knew what the cornflowers were, except Willy Katz, an Austrian boy from the

of the new-or, to their way of thinkdid not astonish them half so much as the sight of the familiar cottonwood, growing everywhere. Claude thought he had never before realized how beautiful this tree could be. In verdant little valleys, along the clear that the cottonwoods waved and passing chapels where solitary women populars. to rest easy, as if they had been there forever and would be there forever and would be there forever.

Claude at Rouen—I any one didn't his neighbors were only to easy to inform the wards of the bors were only to easy to inform the wards of the bors were only to easy to inform the wards of the total the wards of th Only a little way up that river was Paris, the place where every doughboy meant to go; and as they leaned on the rail and looked down at the elbows on his knees, his conical hat

as big as wild roses. When they passed the first alfalfa field, the whole train rang with laughter; alfalfa was one thing, they believed, that had never been heard of outside their own.

They attributed to the city of their parts of the family as the buildings nigher than anything in Chicago, and brilliant—dazkingly brilliant, nothing gray and shabby about it like this old Rouen. They attributed to the city of their parts of the family of the family the family of the family never been heard of outside their own desire incalculable immensity, bewild-All the way down Company B had en finding the old things instead the heaviness—the only attributes they had been taught to admire.

of the new-or, to their way of think-ing, the new things instead of the himself alone before the Church of St. old. The thatched roofs they had so counted upon seeing were few and far between. But American binders, of well-known makes, stood where the fields were beginning to ripenant they were being oiled and put in order, not by "peasents" but he water from his raincoat and entered, removing his hat at the door. The day, so dark without, was darker still order, not by "pearants," but by wiselooking old farmers who seemed to
know their business. Pear trees,
trained like vines against the wall,
did not astonish them half so much in long rows, like the stems of silver

rivers, the cottonwoods waved and rustled; and on the little islands, of which there were so many in these rivers, they stood in pointed masses, pty . . . empty. His own breathing was audible in this silence. He

At home, all about Frank- When he reached the choir he farmers were cutting down turned and saw, far behind him, the their cottonwoods because they were rose window, with its purple heart. "common," planting maples and ash As he stood staring, hat in hand, as trees to struggle along in their stead. still as the stone figures in the chap-Never mind; the cottonwoods were good enough for France, and they were good enough for him! He felt they were a real bond between him and this people.

When B Company had first got their orders to go into a training camp in north-central France, all the men were disappointed. Troops much rawer in the control of the glass and the bell had come almost simultaneously, as if one Troops much rawer come almost simultaneously, as if one

produced the other; and both were superlatives toward which his mind

had always been groping or so it seemed to him then. In front of the choir the nave was open, with no rope to shut it off. Several straw chairs were huddled on a flag of the stone floor. After some hesitation be took

Comaha packing houses, and he knew only an objectionable name for them, so he offered no information. For a ling time they thought the red clover blossoms were wild flowers—they were blossoms were wild flowers—they were as big as wild roses. When they Rouen. (Continued in The Morning Bec.)

You can now buy the famous genuine

for the same price as the ordinary furnace

Special Prices, Special Terms for 7 Days Only

We want every home owner in Omaha and vicinity who has been putting up with the inconvenience and discomfort of stoves and other inefficient heating systems to know how much more healthful, comfortable and economical is a GARLAND FURNACE.

Now Is the Time to Buy

While the price is low and the terms are so liberal. Plan your home cleaning this spring from the cellar up. Begin with the furnace. Take down your old stove for the last time this spring. Resolve to quit carrying coal and ashes over your living room

We are making this special inducement this spring to urge you to buy early. Pay next fall if you like, but place your order now.

This is \$10 per month under our regular terms. Terms that will practically make your furnace self-paying and next fall you will be able to welcome the oncoming chill of winter with a clean slate and the assurance of home comfort with less fuel than you ever used before.

Contractors, Notice:

We are making extraordinary offers to contractors and architects who specify the famous Garland Furnace. Ask about our co-operation purchase plan. If you are building a house let us mail you our plans on how a home should be heated.

Phone AT lantic 4289 and ask to have one of our heating engineers call on you. His expert advice costs you nothing and all we ask is the courtesy to let us submit our figures.
