a happy hunting ground for ambitious baseball clubs. In successive series with the Indians, Tigers, Browns and White Sox, the Huggins outfit won 10 out of 11 games, the Tigers being responsible for the lone defeat. The league champions have two more games with the Sox but regardless of what may happen there the trip must go down as one of the most successful the Yankees have known.

Giants Doing Well.

They started the tour with fear and trepidation, duly warned of the dire fate that awaited them west of the Alleghenies. But they found the Indian bubble in a state of collapse due to unsteadiness in pitching and weakness at first base; the Tigers trying to cover up a ragged hole in the middle of the infield and the Browns hopeless without Sisler. Seven successive victories have

fallen to the Yankees in the west. The Athletics, bearing a singular resemblance to a ball club, have won six straight from western clubs. So much for that.

In the National league the Giants have been almost equally successful in their intersectional games at the Polo grounds. The Pirates, playing indifferent baseball except in the
