Board to Probe Pennsylvania Hospital Case

Decision Looking to Reopening Veterans' Institution at Dwight, Ill., Reached—To Close One at Chicago.

Washington, May 28.—Decision to investigate the veterans' hospital situation in Pennsylvania through a special commission and to attempt to reopen the institution at Dwight, Ill., under lease, was reached today by the federal hospitalization board.

The commission to study conditions in Pennsylvania will be composed of Director Hines of the veterans' bureau, Rear Admiral Stitt, surgeon general of the navy, and Charles W. White of St. Elizabeth hospital here. It will devote its attention to disposing of the question of the proposed Aspinwall hospital, the site for which the government already owns, and the Markleton hospital, formerly utilized by the army and later transferred to the public health service. Action was deferred on the offer of State Senator Vare to turn over his 100-acre estate for hospital purposes.

A suggestion from the American Legion that the Excelsior Springs (Mo.) hospital, built without a kitchen, be used for women who served as nurses during the war, was not acted upon, but approval was given Director Hines' recommendation that the institution be completed.

The board approved the closing of the Drexel Boulevard hospital at Chicago on June 30, and the transfer of patients to institutions at Maywood and Great Lakes, Ill., and Milwaukee.

Discovery that many veterans' bureau hospitals, vocational schools and other institutions have no suitable fire regulations, including fire drills, brought an order from Director Hines that all such institutions draw up suitable rules.

Railways Preparing for Business Boom

Washington, May 28.—Railroad spokesmen at an Interstate Commerce commission hearing today, presented evidence which showed, they declared, that freight cars and locomotives had been procured or were in process of delivery in sufficient quantity to take care of prospective business during 1923. R. H. Aishton, president of the American Railway association, pointed out that during recent months, with traffic volume breaking all seasonal records, car shortages had been constantly diminishing and freight movement continuously bettered.

Dr. J. P. Parmalee, director of the bureau of railway economics, testified that railroads would expend this year, a total of $676,500,000 for new rolling stock. In addition, for improvements and extensions to roadbeds and terminals, he said, carriers would expend $432,000,000, all with a view to expediting car movements and increasing capacity.

Santa Fe, N. M., Bank Closed.

Santa Fe, N. M., May 28.—The Capital City Bank of Santa Fe was closed this morning with a sign on the door stating that it was in the hands of a state bank examiner. C. G. Mardof is president of the bank. A statement by Examiner L. B. Gregg and bank officials was to be made late today.

New York Coffee.

New York, May 28.—The advances of last week were followed by reactions in the market for coffee futures today. Offerings were not heavy but there was a falling off in the demand and after opening 8 points lower to 2 points higher active months closed about 7 to 19 points net lower under scattering liquidation or realizing. July eased off from 9.96c to 9.76c and December from 8.47c to 8.34c, but the close was a few points up from the lowest on covering. The final quotations were 5 to 13 points net lower. Sales were estimated at about 27,000 bags. Closing prices: July, 9.82c; September, 8.80c; October, 8.80c; December, 8.35c; March, 8.39c; May, 8.25c.

Spot coffee was reported steady with Rio higher at 11¾ for 7s. Santos 4s were quoted at 14½c to 15c.
