Armour Employe Is

Asphyxiated in Hotel William Teschenko, 38, was found dead Monday night in a room at the Atlantic hotel, South Omaha. The room was filled with gas which had escaped from one jet.

The man went to his room after eating supper. Friends say he had no reason for taking his life and express a belief that the gas was turned on accidentally.

Teschenko had been in America five years. He was employed at the Armour plant. He is survived by his mother and two brothers who live in Russia. The body was removed to the Larkin Brothers undertaking
