Autos for Sale 13

Attention! Mr. and Mrs. Auto Buyer:

Dou you believe in hunches? Dou you believe in opportunities? Do you believe there is anything to the old adage, "Hit the Iron While It's Hot?" You yam, or may not believe in such things, but just let this sink in.

We came through the winter with an immense stock of renewed and used cars, we sure carried a load, we had them at all kinds of prices, in other words, we had a lot of them at the high dollar, but say we had a hunch, and that hunch was this, "sell," "sell," sell," and say, "The way they are moving, and going to move some more is sure good." But the whole key to our success is "price." Hhat is our "motto." That's what we talk, think and dream about. And here is the final blow to competition. The remaining forty-two cars we have on our flor are going to be sold, not next year, but now: at the greatest reduction you have ever known. We will not take time to quote you prices here, but what we want to put over to you is this, "These cars will be sold." "They will be sold now." Come in and pick your's out. They all must go, at the lowest dollars that was ever known."
